

## The Housewife's Coolest Friend

Is one of our new model refrigerators. Don't worry about the butter running to oil, or the milk turning sour; these things WILL happen, you know, usually when you have company coming, and then how vexed you feel. Here's where your coolest friend comes in.

"The Eddy refrigerator, with double covers to the ice chamber, steel ice rack and slate-stone shelves, with lots of room for storing, prevents all these troubles.

"The 'Eddy' way is the Easy way, and when your friends drop in they'll say, 'How deliciously cold; how DO you manage it this hot weather?' And you smile and answer, 'I use an 'Eddy' Refrigerator. Mine was \$11, there's another size at \$16, and I got mine at'"

### The Archbishop at Lamaline.

Lamaline, August 9.—His Grace the Archbishop and suite arrived here last evening. This morning the Sacrament of Confirmation was administered to 192 candidates. His Grace addressed the people in cordial words, and congratulated the parents and teachers on the bright appearance of the children and their knowledge of the Catechism. He also spoke enthusiastically of the energy and faith of the people, as shown in the beautiful church and school which have been completed since his last visit. His Grace on arrival was received with loud huzzas and salvos of musketry, and the children of the school hastily dressed formed a procession and sprinkled flowers before the Archbishop and clergy as they walked to the church, and an address of welcome was read by Miss Beatrice Fleming. The episcopal party started for Lawn at noon, accompanied by joyful salutes of the fusiliers, and every demonstration of joy and gladness from the whole settlement.—Daily News.

Day, being a few of those whom we were glad to see. The lovely summer weather has allowed them to take part in numerous picnics. The Church ship Amazon arrived on Wednesday, July 23rd, and we were pleased to see our grand old Bishop again. The Confirmation service was held in St. Margaret's Church, at 8 p.m., when fifty-one candidates received "the laying on of hands." The service was very impressive, and the Bishop's address one of the finest we have ever heard from him. The ship left the following morning for Victoria Cove, Gander Bay.

### Eat Whatever You Relish.

Sometimes the digestive machinery gets away off. No kind of food looks good to you. You need Stafford's Prescription "A."

It is a temporary artificial digestive process to do the work until the stomach recovers normal conditions. Many people think Pepsin is the thing to take. Four times out of five they are wrong. Pepsin will digest eggs, meat, etc., but has no effect on starchy foods like bread, potatoes, cake, pudding—in fact most of the eatables that cause the trouble.

Stafford's Prescription "A" is the thing.

It contains all the valuable ingredients for the cure of Indigestion, Dyspepsia, Gastritis, and nervous Dyspepsia, etc. Eat what you like, Stafford's Prescription "A" will do the rest. Price: Small size 25c, postage, 5c. extra. Large Size: 50c, postage, 10c. extra. For Sale at STAFFORD'S Drug Stores, Duckworth St. and Theatre Hill.

### Some Class to This Tourist.

A foreigner, who recently struck the town, quit again on Saturday by the Stephano. At our Regatta held last week, he conducted a catch-penny shop and reaped a rich harvest out of it. He also succeeded in "doing" a city cabman. The latter had fulfilled his contract with the "tourist" who told cabby to wait and he would return with the cash. Meanwhile the Stephano pulled off from the pier with the schemer on board. Needless to say the local man was victimized besides having to listen to insulting retorts.
