founders when it encounters the rag-

ing seas. Thus it is with the child.

At the afternoon session the problem

of teaching Arithmetic was discusseed.

It was clearly shewn that much of the

teacher's work in this subject has no

good effect. The most effective method

of teaching this important subject was

demonstrated, which riveted the at-

tention of the teachers to the end. All

were disappointed when the work had

to be stopped in order to give the

teachers ime to get back o their re-

Mr. E. J. Bishop, of Burnt Head.

Brigus, proposed a vote of thanks to

the teachers and scholars of Bay

Roberts Academy for making the

room bright and attractive in honour

of the occasion. This proposition was

duly seconded by Mr. Dawe, of Port

de Grave. A vote of thanks was fit-

tingly accorded to Dr. Barnes, pro-
