T. McMURDO & CO., Ltd.,

THE PIONEER DRUG HOUSE.
Established 1823. Incorporated 1920.

In re-organizing our business at the beginning of last year when times seemed prosperous, somewhat drastic changes were made in credit terms to our customers in the belief that it would ultimately prove to be for their benefit as well as our own.

Results to-day have proved our forecast to be correct, and as a consequence we are now in a better position than ever to serve our friends to advantage with a new and up-to-date stock.

From being pessimists in apparently good times we are now optimists when many think there is nothing but "blue ruin" ahead; and in consequence we are now prepared to entertain extending longer credit than is indicated by our general terms, where desired, to approved wholesale customers.

We have the necessary Stock and Capital to do a much larger business. We are desirous of keeping our present staff on at suitable wages, necessitated by higher cost of living, and to do this an increase in trade is hoped for. This we anticipate getting by efficiency of service, combined with the high grade goods we carry and sell at lowest possible prices.

CONTROL!

"RAYBESTOS" Brake Lining

Will always grip and hold the car in any emer-
gency because it is made of long fibre asbestos
woven with brass wire and treated in a way that
gives it the greatest gripping power.

"RAYBESTOS"

gives longer wear than any other lining, and it
wears evenly down to the last sixteenth of an
inch. Most of the best known car manufactur-
ers use RAYBESTOS.

Look for the silver edge: your protection
against imitations.

Send your car to us to be overhauled and
have the brakes relined with RAYBESTOS and
protect yourself against accidents.
