WHO IS MRS. WINSLOW?

This question is frequently asked, we will say that she is a lady who, for upwards of thirty years, has unflinchingly devoted her talents as a Female Physician and principally among children. She has thoroughly studied the constitution and wants of numerous classes, and, as a result of this and practical knowledge, obtained in a special manner as nurse and physician, she has compounded a Soothing Syrup, for children, which operates like magic—giving health, and is, moreover, sure to act on the bowels. In consequence of this, Mrs. Winslow is becoming world-renowned as a benefactor of her race, children are no longer to rise up and bleed her; especially the case in this place. Vast quantities of Soothing Syrup are daily sold, and we think Mrs. Winslow has immortalized herself by this invaluable article, and we believe thousands of children have been saved from an early grave by its use. Millions yet unborn will be saved and unite in calling her the benefactor of her race, children are no longer to rise up and bleed her; especially the case in this place.
