**BASE BALL.**—A return-match will be played on Wednesday afternoon, between the Silver Leaf Club, of Hespeler, and the Silver Creek Club, of Guelph, on the grounds of the latter.

A match between the Lawyers and Bankers will be played on Thursday first, at 4 o'clock p.m., on the Maple Leaf grounds.

**BASE BALL IN ERIN.**—A correspondent sends up a communication suggesting by a game of base ball played in Erin, between the local club and nine from Georgetown, resulting in favor of the latter by 34 to 14 runs. The writer says that the Erin club can boast a good catcher as well as an excellent Captain, in the person of Mr. Hull, who deserves the confidence of the men; and altogether the club is improving fast. The Georgetown club is under the command of Captain W. Godfrey, a splendid catcher, upon whom the Maple Leaf Club may have to call some day to make up a heavy team. He caught during the nine innings to the swift underhand pitching of Mr. H. Thompson, whose only fault is a nervousness which results in irregular throwing.

The sixth game of the championship series between the Mutuals of Brooklyn and the Harbors, which was played on the Union Grounds New York, on Saturday, was witnessed by about 500 persons. The contest proved to be quite close and interesting. At the end of the fifth inning the score stood a tie, three runs each. After this the Mutuals, through errors, added four more runs to their score, while the Harbors were blanked and lost the game by a score of 7 to 3.

The amateur Flyaway Club of New York was defeated by the Staten Island Club at Staten Island on Saturday by the close score of 18 to 16.

The Bachelors of Elora beat the Benedicts at Cricket on Saturday by 11 runs. Mr. Wm. Anderson, Wawanosh, recently sold to Mr. C. Secord, of Lucknow, three fleeces of washed wool taken from last year's lambs, and which weighed respectively 10, 11 and 12 lbs. The length of the wool in each fleece was 15, 16 and 18 inches.

The degree of Doctor of Divinity has been conferred by Union College, in N. Y., on the Rev. John James, formerly of Paris.

**Special Notices.**  
**IT IS NOT WHAT YOU EAT BUT** what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows; and if there be hereditary predisposition to scrofula or consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wood's Compound Syrup of Phosphates and Calais is Nature's own remedy for derangements of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force. *Wm.
