Comment Upon Country's Unprepared-

ness for Action

Ottawa, Sept. 18 .- Some trenchant criticisms of the Canadian militia

system in connection with this coun-

try's preparedness for action, which are expected to excite much comment, are in the publication of a monumental his-tory of Canada, the work of one hun-

dred associate historians during several years, which has no wheen com-

pleted under the direction of Prof. Adam Shortt and Dr. A. G. Doughty,

Dominion archivist.

City in Brief

To help out Magistrate Sanders, City Treasurer Burns occupied the bench yesterday afternoon, and had two cases of non-payment of wages to settle. Mrs. H.
