BRUCE.

On account of lack of interest and the ex-
istence of debt, the directors of the Northern
Exhibition at Walkerton have decided not
to hold a show this year.

Isaac McDougall, of Walkerton, has had a
false joint made for his broken arm, the
fractured parts being removed. It will be a
little shorter than before.

ford on March 8 under the auspices of the

ESSEX.

Some time ago Edward Egan, of Windsor,
was bitten by a dog owned by Mrs. Nancy
Wells. He commenced an action and was
given a verdict of \$225 against Mrs. Wells
for costs. The defendant transferred her
property to her daughter, and the plaintiff
moved to set aside her transfer. The court
decided against him.

Commander Booth, of the Salvation Army,
arrived in Windsor Saturday, and on Sun-
day afternoon at the barracks spoke on the
social work of the Salvation Army. He also
spoke in the evening.

buildings, St. Thomas, died on Thursday,
aged 72. He was a British ex-sailor, and
fought in four battles before he was 19
years of age. He leaves two sons and four
daughters.

George McColl, of Simcoe, a student of
the St. Thomas Business College, fell over a
mop in the Grand Central Hotel there on
Saturday and broke his leg, which had been
previously deformed by rheumatism.

Conductor S. J. Callicott shot two wild
cats in the Dutton swamp on Friday and
one the preceding day, making five that he
has shot this season. They are formidable
looking chaps.

GREY.

Wm. Bell, of Cedarville, was struck by
the limb of a falling tree in the stomach. He
was taken home and medical aid summoned,
but he died in a few hours.

Canal Company's charter.

LAMBTON.

A Wyoming correspondent says: "The old
adage that 'misfortunes never come singly'
has been exemplified in the case of John
Wheeler, town line, whose farm and prop-
erty was sacrificed last fall to satisfy the
claims of creditors. About that time his
wife was attacked with typhoid fever, and
remained under medical treatment for
several weeks. As soon as she had suf-
ficiently recovered the family removed to a
small, ill-ventilated house on the farm.
Not long since three of the children
were prostrated with diphtheria, and on
Thursday, Feb. 1, his 13-year-old son died
from its effects, and was buried the follow-
ing Friday, while his eldest daughter, aged
13, is lying seriously ill, but is now on a fair
way of recovery. It is a somewhat remark-
able coincidence that the funeral service
was conducted by Rev. John Dupue, who on
the same date, 30 years previously, per-
formed the ceremony which made Mr. and
Mrs. Wheeler man and wife.

A well dressed stranger put up at the
Chapman House, Sarnia, on Thursday
night and asked to be called early. When
he had gone several watches and a good
deal of money were missing from guests'
rooms.

MIDDLESEX.

A very pleasant "At Home" was given
under the auspices of Court Lambeth, No.
143, I. O. F., in the Masonic Hall at
Lambeth the other evening. The Foresters,
with their wives and invited guests, to the
number of about 150, sat down to a splendid
supper prepared by the ladies. Afterwards
a good programme of readings, recitations
and music was rendered. In the absence of
Bro. Bogue, C. R., through sickness, Bro.
Evans occupied the chair. A pleasant
feature of the evening was the presentation
to Bro. James Routledge, the late financial
secretary, of a beautiful secretary, accom-
panied by a well-worded address. Court
Lambeth is prospering, and numbers at
present 93 members. It is initiating others
at almost every meeting.

A postoffice has been established on the

Burns, daughter of Mr. G. Ferrier Burns,
of Toronto.

OXFORD.

M. Fogarty, a well-known farmer of Dore-
ham township, aged 75 years, dropped dead
the other morning just after getting out of
bed.

The Ingersoll Board of Education has de-
cided to ask the council for \$16,000. It was
very clearly brought out that unless the in-
creased accommodation was provided the
standing of the college institute could not
be maintained, and to go back to a high
school would mean a loss in revenue of about
\$500 per annum, which would more than pay
the interest on the amount asked for.

T. D. Miller, of Ingersoll, shipped from
three boxes Stilton and six boxes Cheddar to
Yokohama, Japan. Another shipment
consisted of two cases of Paragon and one
case of butter, from the North Oxford But-
ter Company, for the same port; also four
cases of Paragon and three boxes of Ched-
dars to Nagasaki.

One of the oldest residents of South Nor-
wich passed away Friday in the person of
Mrs. E. Smart, who lived on the 7th conces-
sion. Mrs. Smart was 82 years of age, and
was buried in St. Charles' Cemetery on Sun-
day.

THE OPEN FORUM.

Says It Was Another Mrs. Youmans.
To the Editor of the ADVERTISER:
Seeing in your paper for the first time to-
day that Mrs. Letitia Youmans, the tem-
perance lecturer, believes that Mrs. M. L.
Shepherd has been using her name in con-
nection with her work, I beg to say that
such has never been the case, and also that
I am fully prepared to prove that the name
of Mrs. Agnes C. Youmans, 57 Maitland
street, is the only name of the kind we have
ever used, and that by kind permission of
the owner, our supreme president. I am,
sir, yours sincerely,
E. M. BASKERVILLE,
Supreme secretary L. P. W. of C.
144 Mill street, London, Feb. 18.

London General Hospital.

To the Editor of the ADVERTISER:
I wish through the columns of your valu-
able paper, having been a patient for some
time in the hospital, to publicly thank the
hospital authorities, right from the super-
intendent down—not forgetting the visiting
staff of surgeons, and more especially the
lady nurses, who so kindly and tenderly
watched over me during my affliction.
Having now recovered, I am sincerely
thankful for their many kindnesses towards
me. I remain, dear sir, yours truly,
FREDERICK BLAKE,
781 Elias street, city.

DOWN ON FISHERMEN.

How the Dominion Government Discrim-
inates Against the Lake Fishers.

WINDSOR, Feb. 18.—At a largely at-
tended meeting of fishermen held to-day
Mr. McGregor, M.P., and Mr. Allan, M.P.,
condemned the Dominion fishery regula-
tions, and Mr. White, I.P.P., defended
the Government. Thereafter, the follow-
ing motion was carried: "That the fish
found in the international waters between
Canada and the United States are owned
in common by the people of these coun-
tries, and as it is known that the fish
migrate from one side of our lakes and
rivers to the other, that the States of Ohio,
Michigan and Wisconsin, bordering inter-
national waters, charge no license fee they
do not restrict either as to number of
men or nets and have practically no close
season. In Canada a heavy license fee is
charged, the number of men and nets is
restricted, the number of men being re-
cently reduced by 50 per cent., a weekly
close season is provided from 6 o'clock
Saturday night till 7 o'clock Monday morn-
ing, also a general close season for the
month of November, which practically
means the prohibition of whitefish fishing
along the shores of this country, except a
short distance along the shores of the town-
ships of Colchester and Mersea; that the
practical result of this condition is
that along the shores of that part of
the States of Ohio and Michigan op-
posite the county of Essex the Americans
had 1,500 men engaged in fishing in the
year 1889, and the value of the fish caught
was \$1,900,000, while in this county only
245 men were employed, who caught fish to
the value of \$229,000. Therefore, be it re-
solved, that this meeting condemn the re-
striction placed upon the fishermen of Can-
ada, and are of the opinion that until some
mutually satisfactory arrangements for the
protection of our fish can be arrived at
with the United States, Canadians be al-
lowed to fish under the same regulations as
are the Americans.

THE IRVING-TERRY CRAZE.

Men Stand in the Street All Night to
Get a Chance to Buy Tickets.
MONTREAL, Jan. 18.—There was a tre-
mendous rush for tickets for the Irving-
Terry performance Saturday. Nothing
like it has ever been seen in this city.
Several men took up their positions in
Nordheimer's door before 11:45 Friday
night and stood until the door was opened
at 9 o'clock yesterday morning when they
were admitted.

One party paid two of his employees \$10
each to stay out all night and wait for the
opening of the store, and these two men were
admitted among the first and bought \$80
worth of tickets. At 3 o'clock yesterday
morning, when the manager of the
academy arrived at his room, he
found 200 men around the doors. The
morning was bitterly cold, and some of the
crowd were almost frozen.
Between 6 and 7, about 50 people were
admitted to the store, where they remained
crushed for two hours. In the crush one
man threw up his arms and cried "I'll
smother." He was with great difficulty
carried out to the fresh air, and after com-
ing to was sent home in a sleigh. Three
others fainted before the sale opened.
The floor was strewn with collars and
ties and cuffs, while some coat sleeves,
which had become detached, were visible
on the floor. The rush kept up all day.

Fatal Accident at St. Catharines.

ST. CATHARINES, Ont., Feb. 18.—A ter-
rible accident occurred at the McKinnons'
ranch and hardware factory Saturday morn-
ing, when Thomas Feeney, about 17 years
of age, was so badly injured that he died a
few hours after. The unfortunate lad was
minding the Japan oven, and without
warning it exploded. The roof of the
building was almost completely wrecked
and a portion of the walls were blown out.
The Stolen Money Found on Him.

PETROLEA, Ont., Feb. 18.—Early this
morning a house owned by a farmer in
Plympton named Whitsel was broken into
and about \$35 stolen. Chief Jackson, of
this town, arrested a man about 9 o'clock
of this morning on suspicion, and when
searched at the station the stolen
money was found on him, also a loaded re-
volver and a box of cartridges and a large
knife, also a quantity of gold rings, some
solid gold, others 14, 18 and 9 karats. He
gave his name as William Thompson and
says he belonged to York State. He is
about 20 years old. Chief Jackson thinks
that the jewelry belongs to Sarnia.
