Japanese Marshal Awaits the The Commander's Official Drying Up of Roads.

Report of Casualties.

### KUROPATKIN TO HOLD PLAINS 12,000 MEN DIE ON THE FIELD

The Russian Commander is Con- Red Cross Departments Took Over centrating His Troops in Three Lines.

and strengthening his defense works in three lines, the outer along the Shakhe River, the second along the Mukden, 7,000 have died. River, and the innermost close Tokio, Oct. 21.—All hews con Baltic the movements of the Russian Baltic

operations. A press dispatch from enough to encounter, even supposing Mukden reports that the Russians on that Port Arthur is still uncaptured themselves to a when the Russians arrive. bombardment of Shakhe station, and the adjoining village of Lamatung, the Japanese guns responding. The news clears up an interesting point, and by the Russians. Russian correspondents report that some regiments of the fifth Siberian corps have been engaged in slight skirmishes on the advance line the past few days. The fact that the first and Afth Siberian were shows that General Kuropatkin has to fire from both sides that

been developed that after the Lone Tree Hill fight the Japanese twere un-able to remove a number of cannon in addition to those loss to the second of the s addition to those left on the hill, and which remain midway between the Russian and Japanese trenches. As they lay, these guns were so exposed was impossible for either the Russians or Japanese to get possession of them during the daylight, and reeated attempts have been made both by Russians and Japanese to secure the guns under cover of darkness. Up to the present time Cossack detachments have succeeded in securing three of the guns. The dexterity of repeatedly illustrated during the Russian army maneuvers. On one occasion, they abstracted the artillery more famous occasion was four years ago, when General Kuropatkin commanded the southern army marching from Moscow, against the northern army, commanded by Grand Duke Sergius. Kurepatkin's Cossack leader, Dienrichs, surrounded the hut in which Sergius' chief of staff, Sobeleff, now commanding the sixth Siberian corps and his subordinates, were asleep, and pluckily went off with their dispatches and maps. When Soboleff woke he ged and every document missing.
The general staff tonight received the following dispatch from General Sakaroff, under today's date: "The naissance in force against the enemy south of the village of Sindianu. The enemy's outposts were driven back. A Japanese battery, which opened fire, was silenced, and compelled to coocoocoocoocoocoo

retire. There was no fighting Oct. 20. This morning the Russian volunteer sharpshooters, under cover of a fog closed upon the enemy, and brought left from Poutiloff Hill (formerly Lone Tree Hill). The Japanese opened a

# the firing was ineffective."

London, Saturday, Oct. 22.—The Times' correspondent says it is the general belief there that another great battle is imminent on the Sha River, where the Russians are still strongly posted on the north bank. The Japanese are on the south bank. The correspondent says that appearances suggest that the Japanese will take the

### A Hurried Flight.

Mukden, Friday, Oct. 21.—(Delayed in transmission).-The Japanese hurriedly evacuated Shakhepu, three miles of Shakhe station, on Thursday night, in order to escape being surrounded. Under the cover of Thursday's fog they had tried to surprise the advance guard of one corps on the Russian right flank. The latter replied, with interest, in their own coin, by taking Shakhepu on both flanks, and not leaving th inese any alternative except a
