CITY IS OUT AFTER WATER CUSTOMERS Acapulco and Chilipango Com-

Will Now Seek to Supply the G. T. R. and the C. P. R.

The question of selling water to the C. P. R. and the Grand Trunk Railway Companies will be taken up by the water commissioners immediately, It is now certain that Acapulco and Trulk Rail.

The customs officials refuse to discuss the case, stating that they did not want the arrest made public until they had made two or three more arrests.

It is now certain that Acapulco and to the jail.

The customs officials refuse to discuss the case, stating that they did not want the arrest made public until they had made two or three more arrests. obtain a supply of their own, as the city could not supply them. Both have been using river water

for locomotives. With the increase in the supply of water the city will now try and obtain their old customers again. The C. P. R. intended putting in main extensions to their roundhouses in the east end, but the city can supply them with plenty of water. As the quality is much softer than the Springbank water, it will be much better for their boilers and machinery If the companies take water again from the corporation it will mean an

increase in revenue of about \$10,000 per annum to the water commission. FLYING TESTS.

Petawawa, Ont., July 31. - The second biplane, Baddock No. 1, arrived this morning from Nova Scotia. Casey Baldwin says that the first flights of the Silver Dart will take place on Monday. It is understood there will be a trial test tomorrow.

WHO IS THIS GEORGE MILLAR?

Frank Erne and Man Named Gonia Tell of Having Been Doped by Him.

MOST PECULIAR STORY

Which May Have Bearing Upon the Case of Young Man Robbed on the C. P. R.

The story of a young American chauffeur named Ernest Gonia, who is at present in a most critical condition in St. Michael's Hospital in Toronto. seems to have a most peculiar significance in connection with the story told by Frank Erne, the young Toledo pugilist, who until recently was in ictoria Hospital.

Erne, it will be remembered, was found lying beside the C. P. R. tracks late at night about three weeks ago, with his pockets turned inside out.

Says He Was Doped. He was unconscious for many hours out when he came to he said he had been travelling to Montreal with a man named George Millar, whom he met in Detroit. Millar, he said, gave him some queer-tasting stuff from a bottle, and he remembered nothing more. Erne has suffered intensely as a result Desperate Combats Continue in of the stuff given him, and at one time was driven so violently insane that he tried to strangle himself in bed at Victoria Hospital.

Back in Hospital.

Later he was removed to the jail, and, being taken very ill again, was taken back to the hospital. On Saturday he was again taken to the jail, and if he is well enough will be brought before Magistrate Love on a charge of insanity on Tuesday morn-

The following story from the Toronto Telegram is of the greatest interest in Paris, Aug. 1.—Although official connection with Erne's case, and it Spain minimizes the Catalonian in- is believed that the George Millar mentioned may be the same man who at.

tacked Erne:
