DEAD AND MANGLED

Three Killed and Scores Injured in Derby of the Motor World-Grant Wins Honor For Second Time Breaking American Record.

palling close today, with Harry Grant, driving a 120-horsepower Alica, a winner, by the margin of 25 seconds. Geo. Dawson, driving a Marmon, won second prize one minute and six seconds ahead of Joseph Aitken, at the wheel of a National.

By his victory today Grant repeated his exploit of last year, when he captured the cup in a car of the same make.

started. Charles Miller, mechanician of the Marquette-Buick car, driven by Louis Chevrolet, was killed instantly in a crash with a touring car along the route. Ferdinand D'Zubia, New York manager of the Pope-Hartford Company, was killed in a smash-up while on his way down to the race. The number of accidents, short of fatalities, ran to scores.

From a sporting point of view alone,

Long Island, Motor Parkway, Oct. 1.—
With dead and wounded marking nearly every mile of the course, the Vanderbilt cup race came to a gruesome and appalling close today, with Harry Grant, and the course of a Columbia car, was killed in a crash which occurred soon after the race started. Charles Miller, mechanician of a columbia car, which occurred soon after the race started. Charles Miller, mechanician of the Mary etter Bulck car driven by

tured the cup in a car of the same make.

A New Record.

The winner's time for the 278.08 miles of the course was 4 hours, 15 minutes, and 58 seconds, or an average of 65 1-5 miles an hour, which establishes a new American record.

The race was marked by a series of fatalities, and accidents, second only to same series of the course was marked by a series of fatalities, and accidents, second only to same sporting point of view alone, the race was thrilling, and rich in suspense and excitement. There is no doubt automobiling as the most hotly contested long distance event ever held over open country roads. Judged by its cost in killed and injured, however, the race was a revolting spectacle.

DR. REASON WAS EX-ALD. WM. REID NAMED PRESIDENT

Succeeds the Late Adam T. Mc-Results of the Lawn and Garden Mahen on the Board of Trade.

A TRIBUTE TO THE DEAD THE SCHOOL COMPETITION

Dr. Reason Referred in Eloquent Wortley Road School Stands First and Language to the Late President, Whose Death is Regretted By All.

Dr. Harry T. Reason was elected nounced the results of the lawn and garpresident of the board of trade last den competition for which Hon. Adam night to succeed the late Adam T.

He has been vice-president since a year ago last March, and during Mr. ning ward 3 prize.

The results are as follows: McMahen's illness acted as president. The first regular meeting of the board since Mr. McMahen's demise was held last evening, and when business in hand was concluded, ex-Mayor Stevely nominated Dr. Reason for the position. He pointed out that the choice would be a popular one, and it nue. was fit and proper that the office of president be filled at once. He nominated Dr. Reason.

Mr. J. W. Jones seconded the motion, and it carried unanimously. An effort was made to select a vicepresident to succeed Dr. Reason. Mr. W White nominated Mr. J. I. A. lunt, but the latter declined owing to

pressure of business. To Select a Vice-President. It was then decided to appoint a ominating committee, composed of C. Mitchell, Geo. H. Belon and F. E. Leonard to select and nominate a man for the position. They ful," will report at the next meeting.

In accepting the position, Dr. Reason expressed his deep regret at the death of Mr. Adam T. McMahen. In LIEUTENANT SIFTON him the board had lost a valued mem. ber, the city had lost a good citizen and many had lost a true friend. Dr eason hoped that he would be able o fill the position with credit to him-

elf and to the satisfaction of the nembers of the board.

CHOSEN CHAIRMAN

PHILIP POCOCK

Named By Members of Water Commission at Their Meeting on Friday.

RECORD SURPLUS SHOWN

Water Board Will Have the Biggest Sum in the History of the Institution-Mr. Chapman Takes His

Water Commissioner Philip Pocock was made chairman of the water commissioners at the meeting last night Commissioner John H. Chapman ook his seat at the board. Mayor Beattie proposed the name of

Mr. Pocock as chairman, and Commissioner F. J. Darch seconded it. The motion was carried unanimously. Mr. Pocock briefly thanked nembers for the honor, and hoped that he would be able to fill the position to their satisfaction. He would do his best. He reviewed the work of the year so far, and declared that the revenue would be from \$105,000 to \$106,-000, the largest in the history of the The expenditure would be about \$53,000, or practically the same as last year, giving the city a fine sur-plus. He referred to the fact that the city should push its water business still further. There were many customers, such as the G. T. R. and the C. P. R. who might be obtained if the matter was presented to them aright As for Niagara power he was confident that in the very near future it would be a great success.

Mr. Chapman Welcomed. The chairman welcomed Mr. Chapman to the board, and stated that the appointment was highly creditable to the city council.

R. J. Watson and Ed. Wyatt asked or city water for their cottages at Springbank. Referred to the engineer. Hourd & Co. asked for a temporary supply of water, and it too was refered to the engineer. Mr. H. J. Glaubitz, consulting en-

gineer, was paid \$375 for services, and arrangements will be made with him damage to their standpipe.

It was also decided to place an elecing of the Traction Company. Chairman Pocock suggested that

engineer's repor showed that Springbank had produced an average of 3,900,000 gallons per day

A LOS ANGELES DISASTER

Explosion and Flames Destroy Building of the Times Publishing Company With Terrible Loss of Life—Loss Will Be In Vicinity of Half Million.

Los Angeles, Cal., Oct. 1.-The building occupied by the Times Publishing Company was destroyed by fire this morning, and there is a heavy death list, estimated as high

The fire was preceded by an explosion, and the building was enveloped in flames. The explosion occurred on the second floor of an addition to the old building, with parts of three floors. Within a few seconds from the time of the explosion the whole building was a flery furnace. Crowds that gathered early say they saw many men fall back from the windows into the flames. Others leaped and were injured. The editorial rooms were on the third floor, but it is believed the greater part of the men on this floor escaped death.

Fifty Have Perished.

Thomas P. Smith, an ad composer working on the second floor when the

explosion occurred, says: "There were at least fifty men at work on my floor. I believe that half of this number may not have escaped. I, with others, rushed to the street immediately, and we saw the whole

building in flames."
The entire building was in ruins at 1:45, and but two walls were standing. The fire department now has the the American Engraving Company. The property loss is estimated at
