HOME RULE FOR SCOTLAND IF IT IS ALLOWED IN IRELAND

F. J. Robertson, of Edinburgh. Says Every Effort Will Be Made To Secure Similar Privilege—England and Wales To Have Separate Parliaments Also.

[Canadian Press.] New York, Sept. 27 .- That home rule in Ireland will be followed by home rule in Scotland was the assertion of F. J. Robertson, a city official of Edinburgh, in an address last night on "Home Rule in Scotland," at a meeting under the auspices of the Scotlish Home Rule Association of New York. He summed up the purpose of the movement to obtain representative government in these words.

words:

"It is proposed to relieve the present House of Parliament of purely Scottish business, and to set up a House of Parliament in Scotland. The idea is that each of the four nations of Great Britain, Ireland, Scotland, England and Wales, are entitled to and should have that your legislation, and control of all their own legislation and control of all is being asked for as a campaign fund

affairs of government concerning their own national life, with an imperial Par-

liament to look after matters of genera mmon interest to all." Mr. Robertson was the chief factor in the organization last May of the Inter-national Scots' Home Rule League, When the stepped from a New York Central train vesterday afternoon he had completed 12,700 miles of travel in Canada and the United States, speaking in nearly and the United States, speaking in hearly every important city on the subject of Scottish home rule. Last night he told his audience here of the enthusiasm his subject met with everywhere, resulting in local associations being formed, among others, in Toronto, Winnipeg, Vancouver, Philadelphia, Chicago, Minneapolis, Philadelphia, Chicago, Minneapolis, Seattle, Boston and Albany. He is pay-ing his own expenses, and not a penny

TWO DROWNED

CLASSIFYING MORK

General Survey of Social Conditions When Dr. Riddell Arrives.

Complete classification of the work of the Men's Federation is under way, and appointments of the several committees who will look after the work are being appointed. The executive of the federation will supervise the general survey, which will be com-menced upon the arrival of Dr. Rid-

dell from Chicago. Arrangements have been made whereby the actual work of the survey will be divided among the different committees. The juvenile court on mittee will deal with the question of delinquency and other pertinent questions relative to their work. Re-ligious work will be handled under the evangelism and mission committee Industrial work will be taken up by the industrial committee. Questions pertaining to recreation and amuse ments will be attended to by a special committee appointed to the work.

A Special Committee. The committee on educational matters have appointed Professor W. J Patterson and Mr. T. Parkinson as special sub-committee, it being advanageous to have this additional body.

Other committees will deal with questions of population including the immigration problem; health and sanitation. The general civic improvement committee will have charge of housing problems. It is probable that subommittees will be appointed as an aid more thorough work along

At the conclusion of the general sur vey the educational committee will be gin an intensive survey of educational conditions, but definite plans have not een decided upon.

BEAUTIFUL PICTURE IS

Second Large Audience at Grand To Witness Hichen's Famous Novel Dramatized.

For the second night of its pres entation in London, the Liebler Com

pany's production of the "Garden o house to the Grand. Many of those of Domini Enfilden, the remorse In staging the production Rober Hichens and Mary Anderson have achieved a clever piece of work. Each scene is unique in its way. The street in Beni-Mora, and the dance hall interior, are faithful representations Nearly Completed oriental life. The picturesque costumes of the east, the weird music and dances, the calls to prayer, and the [Canadian Press.]
Winnipeg, Sept. 27.—That the new government elevator at Port Arthur would be handling grain by Oct. 10 was the statement made here by the grain commissioners. The slip is being enlarged to allow vessels to load there, and this work is expected to be completed in two weeks. The capacity of the new in two weeks.
