WOMEN CRUSHED TO DEATH FOLLOWING CRY OF FIRE

Two Dead and Eleven Injured in Desperate Struggle on Steps, Where Parents and Children Were in Heaps—Fire Was Quickly Extinguished.

New York, Feb. 2. — A boy's cry of "Fire!" and the smoke from an exploded reel of a moving picture machine in an east side theatre tonight resulted in a panic among the audience of four hundred persons and a rush for the exits, in which two women were killed, and eleven other persons were so badly injured that they had to be sent to the hospitals.

Trampled to Death. The panic occurred in one of the most densely populated sections of the east side, and the thousands who poured in East Houston street, in front of the theatre, and rushed to the doors, added to the confusion and to the number of injured. The two women, who have not been identified, were trampled to death in the crush of the crowd to reach the doors. The operator of the machine soon extinguished the burning film, and the flames did not spread beyond the fire-proof cage in which he worked.

But One Exit.

With the exception of one rear exit

door, the only means of escape from the theatre were through the main vestibule, and it was here in a narrow space that most of the injured were found. The two women who were killed were picked up in the main section of the theatre, where they had been trampled underfoot.

Piled Into Heaps. Steep steps lead from the sidewalk to the theatre entrance, and down these hundreds fell while those behind piled on top. Children became separated from their parents, and frantic searches for friends or relatives mingled with the panic-stricken audience. It was more than an hour after the theatre had been cleared that the police were able definitely to say that only two had met death.

In the panic clothes were torn from the backs of their wearers, and the police gathered up a great pile of hats, coats, shoes, eyeglasses, and even pocketbooks. A few rings and watches were among the salvage taken to a police station for identification.

NOTHING IN CHARGES AGAINST TREASURER

E. L. Sutherland, of West Zorra, Was Not Short \$3,000.

Woodstock, Feb. 2.—Although no public announcement has been made by West Zorra men, who charged Mr. E. L. Sutherland, ex-treasurer of the township, with having failed to account for over \$3,000 of township money, that the charge was a mistake, it seems that this is the case, as at a large gathering held in Embro last night to congratulate Mr. Sutherland on the clearing of his name, it was stated repeatedly from the platform that the lawyer for the prosecution had admitted his mistake and acknowledged that all was correct. Mr. Sutherland has entered a libel suit against the men said to be responsible for causing the publication of a summary of the auditor's report, which said that he should account for the amount mentioned, the amount claimed being \$20,000. About 550 of Mr. Sutherland's friends, male and female, gathered to express confidence in him at the Embro meeting.

STEAMER MANITOU DESTROYED BY FIRE

Dominion Transportation Line Boat Lies at the Bottom of the Harbor.

[Special to The Advertiser.] Owen Sound, Feb. 2.—The steamer Manitou, of the Dominion Transportation Company's fleet, lies sunk at her moorings in the harbor as the result of a fire of unknown origin which broke out aboard her this afternoon. The blaze was a most difficult one for the firemen to handle, and owing to the density of the smoke they were unable to effect an entrance on to the decks. Two lines of hose were piled for three hours, and the Manitou went down aft until the stern rested on the harbor bottom. Gradually the whole vessel settled, and the rush of water quenched the fire, which was in the neighborhood of the engine-room. The Manitou was a wooden vessel of three hundred tons, built in 1903, at Goderich. She was in charge of Capt. McCoy, of Owen Sound, last season.

[Special to The Advertiser.] Galt, Feb. 1.—The funeral of Hon. There were a large number of beautiful floral offerings. The Central Church bell, which was presented by Mr. Young, was tolled during the funeral hour, and flags from the town hall, Gore Insurance Company's building and Trinity Church flew at half-mast. The service was conducted by Rev. Hugh MacPherson, of Toronto, assisted by Rev. Canon Ridley and Rev. Mr. Pettigrew, of Paris. The pallbearers were: Hugh McCullough, C. R. H. Wainwright, R. Robertson, Wm. Philip and J. N. Mackendrick, of Galt, and Charles McNaught, of Toronto.

[Special to The Advertiser.] Galt, Feb. 2.—Robert Patterson, aged 55, was yesterday found dead in his bed at his residence, the old toll gate, at the corner of the town. On Friday evening he visited his brother, ex-Mayor Thomas Patterson, and appeared to be in good health, but his demise must have occurred during the night. Heart failure was the cause. MADE WRONG RETURN

Returning Officer at Clinton Admits Putting in False Figures.

Clinton, Feb. 2.—The deputy returning officer for St. John's ward, the ward which is supposed to have caused all the trouble in the local opinion contest, has admitted that he made a wrong return in the votes cast for ex-Councillor Fred Jackson. The official return was 40, and the scrutineers counted 48. This brings Mr. Jackson up to within two votes of the lowest councillor elected.

Had Pimples on Face

And Back Was Literally Covered With Them.

Bad blood is the direct cause of pimples breaking out on the face and body, and it is impossible to get rid of them unless you cleanse the blood of all its impurities.

Burdock Blood Bitters is without a doubt, the very best medicine for this purpose.

This old and reliable remedy has been used for over thirty-five years, and has a reputation unequalled by any other for purifying the blood.

Mr. Peter La Pierre, Assistant Postmaster, Touchwood Hills, Sask., writes: "The fall before last, I was very much troubled with pimples on my face and back. My back was literally covered with them, and I could not lie on it at night, they were so painful. One day my sister advised me to use Burdock Blood Bitters, so I got two bottles, and before I had taken all the first one, the pimples had nearly disappeared, and now I am completely cured."

LIMPS INTO PORT

Lumber Ship, Many Weeks Overdue, Reaches Australian Port.

[Canadian Press.] Melbourne, Australia, Feb. 1.—Many weeks overdue, the steamer Ikala, lumber laden from Astoria, Oregon, to Melbourne, limped into port today with cabin fixtures blazing under the boilers and the crew all but starved. The oil-burning apparatus failed early in the voyage, and the steamer fought its way across the Pacific on the small coal supply and by burning fixtures. The boat averaged less than half speed, and her stores gave out entirely before she made port. Only a few of her crew were strong enough for duty when she arrived.
