mond was quite hard from the warm weather of last week, and the big roller and bittle impression on it. The soaking of the past two days will make it easier to roll, and it should be in splendid shape for the practices next on three opening dates. According to the schedule, London opens the season at Brantford on May 19 and then Brantford comes here for the opening game on May 20. The Brants are then supposed to jump to Ottawa.

The fastest work of the Plate candidates was that of Wm. Krausman's Hampton Dame, which put in a mile in 1.46 4-5, the first 1-2 in .51 2-5 and the 3-4 in 1.18. This was accomplished then supposed to jump to Ottawa. splendid shape for the practices next then supposed to jump to Ottawa.

### And They Didn't Have to Wire for Old Josh Reilly

Josh Reilly once was second baseman of the Chicago club, a good fellow and comical. Jimmy Connor replaced him and, although Josh hated to leave the team he liked Connor and wished him well. The team was starting on an eastern trip and Reilly was bidding farewell to his old team mates.

"Jimmie," he remarked confidentially to Connor, "If ever you get into a tight hole, if ever you are up there in the ninth with the bases clogged, two out, and two strikes called-stop the game and wire for Reilly to come and make that hit."

Everyone laughed. At the Polo grounds a week or ten days later that exact situation arose. Three were on bases, two out, it was the first of the ninth and Connor at bat. Two strikes were called, then someone on the bench yelled:

"Stop the game and send for Reilly!" Connor braced, swung at the next ball, drove a hit over first base and wen the game. I had to do it," he said that evening. "I was hitting for old Josh

President Tener of National Will Be Back in the Game As Soon As Gilmore Lifts Suspension.

NEW YORK, May 4.—President John K. Tener, of the National League, announced today that he had suspended Charles Herzog, manager of the Cincinnati club, for five days for his altercation with Umpire Rigler at St. Louis last Saturday.

Umpire Hart, who arbitrated on the bases during the St. Louis-Cincinnati game, was also reprimanded by President Tener for not following the disputed play closely, thus necessitating an appeal to Rigler behind the plate, which caused the latter to become involved in fisticuffs with Herzog.

New York, May 5.—Benny Kauff, the stars outflelder of the Brooklyn Federals, who was suspended last week for attempting to jump to the Nationals, will, it is stated today, resume play with the Brooklyn club as soon as President Gilmore of the Federal League lifts the suspension.

Kauff, it is understood, has settled differences over his salary and bonus with Robert B. Ward, president of the Brooklyn club, and is now satisfied with his Brooklyn contract. Owing to the intercession of Manager Magee, it was reported, he ecsaped a fine.
