DOLLAR DAY

For this day we are letting our prices do the talking for us, and they certainly proclaim the fact that we are giving unheard-of values. So great are these values, that we find it will be impossible for us to either sell on our Club Plan, or to make deliveries, except where we have so stated. Extra charges will be made for delivery, or, if out of town, for crating and freight, or if you prefer you can hire your own delivery wagon, or carry the goods with you. Remember, then, that on Dollar Day we sell for cash only, that we do not deliver, and that we guarantee every piece to be exactly as we describe it, and please don't judge by the prices, as they are entirely out of proportion to the value we are giving. Also that these prices are for DOLLAR DAY only.
