## NEW STYLES IN WOMEN'S COSTUMES

Every day we are receiving new shipments of Dressy Suits, in Cheviots, Tweeds, Diagonals, Venetians and all wool Serges, in a variety of the newest colors and weaves.

For quality of workmanship, smart styles and rich colorings, we have never handled a finer assortment, while the prices are within the mark where even the most modest dressing woman can purchase without feeling any degree of extravagance.

Perhaps the most popular styles are made in high-grade Cheviots, in navy, black, and browns; semi-fitting in style. Coats rather longer than the Spring and Summer garments; while the skirts are rather fuller and are made with the popular sash effect, or in the plain tailored styles with panels back and front.

The new shawl collars are quite a popular feature this season, and will be found in a variety of pleasing effects in our show rooms; some are in plain satin, while others are inlaid with various materials, contrasting with the goods that the suit is made of.

The more moderate priced garments come in a large range of Serges, Venetians and Diagonal Cloths, in many new and dressy styles, too numerous to mention in detail; but each one is full of interest to any woman who approves of neat but snappy garments.
