of the Quebec following. As the debate progressed and the time when the division would become inevit able drew near, the excitement among the Quebec members increased. During the past two days scarcely a mem-ber from Quebec could be seen in his seat. Caucus after caucus was held. The members kept themselves in communication with Sir Hector Lange-vin who imparted all the proceedings to his colleagues. Sir John's face, while serious, shows an air of indifference, while his col-leagues look anxious. It was thought that night, but it has since transpired that the provisional agreement proved unsatisfac-tory, and at the time of writing (10.20) tory, and at the time of writing (10.20)

there is less prospect of an arrangement than ever. Sir Hector Langevin, who has been attending a caucus all evening, entered the house a few minutes ago and imparted information to his colleagues that caused

information to his colleagues that caused them to look anxious. When Sir Jehn be-fore the adjournment last night urged that the debate be closed to-night and a vote taken, he did it in such a manner that one would infer he had determined to come to Heath, a prisoner in Victoria, B.C., jail, an issue the result of which he was far is trying to starve himself to death, and from certain. The resignation this afternoon of Hon. John Costigan, min-ister of inland mucany adid set to the solution of th

ister of inland revenue, did not tend to make the feeling any easier and Miss Mary Kernighan, the popular and the it was whispered that the resignations of organist of St. Alban's church Rockton, was waited upon at her residence by the rector and church wardens of the church last week, and presented on behalf Langevin and Chapleau were in the hand of the government. Costigan's resignation was insisted on by Quebec members who of the congregation with a manificent silver urged that he was a disgrace to the cabinet tea set. on account of his unsteady habits. P. Col. G., Denison read letters of regret from the following gentlemen:
Hon. John Beverley Robinson, lieutenant-governor; Mayor Boswell, Senator Allan, Hon. Alex. Morris, A. S. Bristol (Napanee), Chief Johnson (Six Nations), Alex. Robertson, Major Roger, Dr. Griffin, S. C. Wood, Robt. Rogers, Dr. Playter, Dr. McPherson (Ottawa), and others, all expressing hearty sympathy with the movement. forfeited at any time if the conditions of the contract were not carried out. The motion then passed. The house became visibly thinner when Mr. Waters rose to move the second read-ing of a bill to amend the consolidated municipal act. He spoke to the motion for a considerable time and after some de-bate the bill was read a second time and referred to the municipal committee, A number of other bills were also advanced a stage.

movement. Mr. James Heskitt stated that though he was not of U. E. loyalist stock himself, he as warden of the county of Lincoln, which contained so many U. E. loyalists, was only too proud to be present to represent them.

movement.
Mr. James Heskitt stated that though he was not of U. E. loyalist stock himself, he as warden of the county of Lincoln, which contained so many U. E. loyalists, was only too proud to be present to represent.
Col. Clench, the son of a U. E. loyalist, made a stirring speech in which he claimed that the U. E. loyalists had saved this country to the British crown.
Rev. Dr. Withrow seconded, Col. Dening on moved, that the members present be added to the standing committee of management. Carried.
The delegates talked over the manner of holding their celebration. It was determined to collect a museum of relics and hold a concert in the evening at which songs of a hundred years ago would be sung. The Mohawk Indians would take a prominent part. The details were left to various committees which were struck last night.
A committee was formed to walt on the attorney-general to day to ask for an apportation to help defray the expenses of the county was any ground for his removal from the office of judge. With regard to the question of his eitizenship the correspondence in their hands contained no stirter while acting as treasurer to the county was any ground for his removal from the effect of he statement on the papers were laid on the matter until the papers were laid on to have badges of their own to distin guish them from outsiders. Dr. Canniff said that twenty of the six nation Indians

guish them from outsiders. Dr. Cannin said that twenty of the six nation Indians from Brantford and the same number from the Bay of Quinte would attend in their full national costume. The celebration would be held June 19, and on that day Gen. Beckwith at Cincinnati, in charge of the relief boats, telegran a: "To-day, from Wheeling to Cairo, along both banks of the Wheeling to Cairo, along both banks of the river, there is not a man, woman or child that pines for want of sufficient food." The supplies already distributed by the relief boats are amply sufficient to meet all would be held June 19, and on that day the lieutenant-governor would receive them at government house. It was suggested that no procession be held. Mr. Morris. stronglyopposed this and held that if there was no parade they need not meet at all. It was decided that every minister in the province he received to presche a memo. THE OPPOSITION'S MOTION OF CEN-SURE VOTED DOWN.

PRICE ONE CENT.

LONDON, Feb. 19 .- The debate upon Sir Stafford Northcote's motion censuring the rovernment was resumed to-day in the use of commons.

Ellis Bartlett (conservative) spoke in fa vor of the motion. He said that the gov-ernment by allowing the destruction of eneral Hicks' army had brought about the present situation in the Soudan, and thereby earned the execration of the

world. Thomas Power. O'Connor (radical) also supported the motion. Joseph Cowen (rad-ical reformer) said the government knew perfectly well that the mongrel machine set up to govern Egypt would not work. Their blundering policy had created ruin. They were responsible for the fact that the Soudan had been given up to Mahdi and the slave dealers

Soudan had been given up to shake the the slave dealers. The marquis of Hartington said that the government had not abandoned the hope of a native government for Egypt, which government, however, might have to be aided by English advice perhaps perman-

sir Stafford Northcote said the present Sir Stafford Northcote said the present government had spoiled the late govern-ment's Egyptian policy. (Roars of laugh-ter.) The government had not answered the charge of inconsistency and vacillation, and a division on his motion would not settle the question A division was then taken on the motion, which was defeated by a vote of 311 to 262. Northcote will take the usual course of resigning his seat and offering himself for re-election.

The city has voted \$5000 for the unem ployed. Take the money and hire 500 men and 200 carts and shovel off the snow on King street from the Rossin to the market and up Yonge as far as the money will go. It would be a cheap investment.

Ruffelo to Pull Toronto.

A communication has been received from the chief of police at Buffalo stating that a detachment of the police of that city will compete in a tug of war with the Toronto police at the assault-at-arms to be held at the Grand opera house on March 31 under the auspices of the Toronto fencing club.

THE U. E. LOYALIST DELEGATES.

The U. E. loyalists from all parts of the province held a convention in the city council chamber last night. Some of those delegates were in the nineties and their hair was as white as snow

that he had no doubt whatever of the bonafides of Mr. Wilson.

of the lecturer and the various illustrations given of the subject.

yesterday afternoon to discuss the railwav situation. Vice-president Ince moved The chair was occupied by Principal Buchan of Upper Canada college, president of the institute. The lecturer defined the term zymotic as preventible diseases, endemics or epidemics, zyme meaning a fermentation in the blood caused by microsituation. Vice-president ince moved That whereas, in correspondence under date of Feb. 7 between Mr. Hickson and Sir John A. Macdonald, a proposition is made in the following terms, viz. That there migh be an exchange of the North Shore lim-for lines owned by the Canadian Pa cific railway or those controlled by that com pany in Ontario, therefore it is resolved tha this board views with alarm any approach to wards a monopoly of railway lines of. Ontari-by the Grand Trunk or by any other railway company, and would respectfully urge upon and in an alteration with his mother shot her in the neck. His father interfered, when the lunatic fired at him, shooting him scopic organisms called bacteria. In man instances it is difficult to determine th In many bacteria, but those which cause smallpox cholera, etc., have been clearly determined. The results of extended experiments made by Prof. Miquel of Paris, were given on th by Froi. Miquel of Faris, were given on the number and nature of bacteria in the air, which prove that their number depend upon the relations of heat and moisture, and it he localities where found. Statistics were given showing the increase in the number of deaths from such diseases in Paris was caused by the prevalence of bac-teria in the air. Easts obtained from a country by preventing the annagamation of competing lines. A rider was added by the president as fol-lows: And it is further understood that in re-cording this resolution no opinion is intended to be expressed as to the propriety or impro-priety of granting further assistance to the Canadian Pacific railway company. The mo tion and rider carried. struck Amberson and Ladiga, Ala., this afternoon. Fourteen persons are reported killed. Houses are blown down in large numbers. At Canton, Ga., several school children Paris was caused by the prevalence of Dac-teria in the air. Facts obtained from a close study of diseases reported to the provincial board of health last year show that in almost every case zymotic diseases are most prevalent in the more thickly popu-lated districts, and during the winter sea-son. The records of the foundling hospitals in Optic showed that where infrare were storm struck the eastern portion of the city to-day. It unroofed many buildings and demolished the central depot. The following is the caste for the Bells at the Grand opera house to-morrow night : in Ontario showed that where infants were crowded and not nursed by mothers the WASHINGTON, Feb. 19.-The British crowded and not nursed by mothers the mortality per annum was 80 per cent., and where there was plenty of room and natural nursing the mortality was not more than 11. Many other instances were given of typhoid fever and diphtheria being caused by impure drinking water, and how greatly germs of all diseases were increased during winter in habitations where the air was not keep fresh and pure. teamer Alert to aid in the Greeley relief was not kept fresh and pure. The lecture was profusely illustrated by igarmakers to-night a vote was taken by which it was decided not to submit to any

diagrams thrown upon canvas by an oxy-hydrogen light, which was manipulated by Mr. McKenzie of the school of practical science. A vote of thanks, moved by Dr Kirkland, seconded by Dr. Reeve, was ac orded the lecturer.

### Requiem High Mass.

Solemn requiem high mass was celebrated in St. Michael's cathedral yesterday fore-noon for the repose of the soul of Mrs. Eliot. Father Laurent was the celebrant, Father Hand, deacon; Father Kenny, sub-deacon. Archbishop Lynch and Bishop O'Mahony were present, the former of whom addressed the large congregation. whom addressed the large congregation. The other assisting clergy were Fathers Rooney, McCann, Bergen, Hayden, Vin-cent, McMullen, O'Hagarty. The students of St. Michael's college assisted the choir. The remains were deposited in the Craw-ford family vault beneath the cathedral.

Wind, Sleet and Rain.

CHICAGO, Feb. 19.-Specials indicate severe wind, sleet and snow storms in

But how the eve snarkled how the fly ney-general and the extraordinary ques-tion he had asked they had no other course but to move the adjournment of the debate. came back to the withered check, how the bent forms straightened up when the stirring scenes of the early days in this country were The Archbishop's Dinner. Archbishop Lynch gave a dinner at St.

THE STREET CAR HORSES LAMENT.

A jaded and wretched looking street car horse came into the sanctum yesterday even-ing and gave the Khan the following verses with a humble request that they be published to-day. The poor fellow appeared very un happy and looked enviously at Shep, our own little poney, who was complacently teating his evening meal of chop stuff and oats outside, illy urge upon interests of th while the attentive Fred was industrie rubbing him down.

THE LAMENT Work, work, work,

Dragging the horrible cars. Work, work, work, Till our bodies are covered with scars

Stag ring and struggling to draw The dreadful wagons before

Till our hearts are sick and our heads are faint, And our bodies are bruised and sore.

The dreadful streets are full Of horrible ruts and holes, And we often think as we thirst for drink If the street car men have souls. Is this a christian land ?

Can this be christian work ? Oh, then, to be far over the sea. And owned by the barbarous Turk

To be owned by a barbarous Turk Afar in a heathen land, For there the steed has a friend indeed. And eats from his master's hand; But here in this christian place, With churches many and high, A horse is cursed with work and this

Till he lays him down to die. committee yesterday a charter was granted Oh for the good old home

In the farm-yard far away, Oh, for the breezy fields, And the fragrant meadow hay; And oh, for the farmer's girl, My friend that used to be,

If she knew my plight, she'd weep to-night, And grieve and mourn for me. Work, work, work!

Through the wet and the murderous stree Work, work, work, Till we barely can stand on our feet, Straining and striving for breath The terrible wagons before, Till our hearts are faint and our heads are sick,

And our bodies are bruised and sore.

BLOW YE GALES. 6

TORONTO, Feb. 20, 1 a.m.-Lakes : vest to northwest gales; clearing

to the Sarnia and Lambton southern rail-way, after striking out the clauses giving the road power to lease their line or amal-gamate with other roads. The committee also concurred in a bill granting a charter to the Doun Tramway company. The promoters of the scheme are Michigan capitalists, interested in the elm log in-dustry, who wish to construct a narrow gauge steam tramway, in order to get out the timber from the forests of Doun.

The Cells Last Night. A man named David Hogan, fresh fro the penitentiary, was run in last night on a charge of threatening to kill Abraham Goldstein. A couple of vagrant boys were locked up at No. 2. A man named Smith-

struck a salvation army soldier in the Richmond street barracks and was locked up in No. 3.
