Thousands of women have testified in grateful letters to Mrs. Pinkham that Lydia E. Pinkham's Vegetable Com-pound overcomes women's special pains and irregularities.

It provides a safe and sure way of escape from distressing and dangerous weaknesses and diseases.

The two following letters tell so convincingly what Lydia E. Pinkham's Vegetable Compound will do for women, they cannot fail to bring hope to thousands of sufferers.

Miss Matilda Richardson of 177 Wellington Street, Kingston, Ont., writes: Dear Mrs. Pinkham :-

Dear Mrs. Pinkham:—

"Some four years ago my usually good health began to fail. I had severe pains in my back, my head ached, I would have dizzy spells, and during my monthly periods I would suffer intense pain. I was advised to try Lydia E. Pinkham's Vegetable Compound, and I am so glad that I did, for it brought new life and health to me. My monthly periods were natural and painless, and my general health improved. I have not had an ache or a pain since, and I feel it a duty as well as a pleasure to tell you what your medicine has done for me."
