What the British Budget Is.

It is universally acknowledged that Mr. Lloyd George's budget which the ing preached by Rev. I. W. Porter of House of Lords has rejected and which now becomes one of the prime issues Wolfville after which the brethren the election struckle, marks an epoch in history. If begins a new era in demo

The fundamental fact to be borne in mind is that for the year 1909-10, wing | ders for nursery stock, the main to the rost of the old age pensions scheme and to the increased ex- GOOD PAY WEEKLY. en liture on the navy made necessary by German competition there is a diejency of some \$70,000,000, which must be and can only be, made good by new taxation. To meet this emergency the Chancellor of the Excelequer, Mr Mr. Carey Davis and Mr. Reg. Harris. The "Toast List" was as Lloyd-Ceorge, proposes, in the budget which has provoked the present storm, the

allowing changes in the present system of direct taxation. First, he largely extends the system of graduation in the income tax. For the future the rate on earned incomes above \$10,000, and on all anearned income, is to under cultivation. We guarantee to portion of the income as exceeds \$15,000.

first time, will make the liquor trade pay in proportion the real value of the mon- firm at this time. Established over opoly granted to it by the state. Third, he raises the death duties. In future an estate of over \$25,000 will pay four per cont : of over 850,000, five per cent : of over \$100,000, six per cent : and

All the Fraternity Around the so on, till estates of over \$5,000,000 pay fifteen per cent. Fourth, Mr. Lloyd-George imposes an extra ninety four cents per gallon or Lady friends of Masonry- P. M. spirits and an extra sixteen cents per pound on unmanufactured tobacco.

Fifth, he increases the settlement, legacy and succession duties. Sixth. he hopes to raise over \$3,000,000 by adding to the stamp duries on transfer oy sale of property, on bonds to bearer, and on transactions in shares, Seventh, he taxes motor cars at rates varying from \$10,50 on a car under six horsepower to \$300 on cars above sixty horse power, and imposes a duty of six cents a gallon on petrol. The preceeds of these taxes, however, are to be devoted,

Eighth, Mr. Lloyd-George reduces by \$15,000,000 a year the fixed sum set

apart for meeting the interest on the national debt. Ninth he imposes a tax of ten per cent on the unearned increment of land, a tax of one-fifth of a cent on the dellar on the capital value of an undeveloped land, Acadia Fire and a tax of ten per cent, reversion duty on any benefit accuring to a lessor on

This is what the Chancellor of the Exchequer expects to realize from these varand wife at Karsdale, also the aged ious sources for obtaining additional revenue;

Mrs. Emma Ward and daughter, vid. The aged gentleman is realing Increase of four cents on uncarned incomes................... 15,000,000 Supertax on incomes, of \$25,000 and over..... Stamp duties..... Capt. Joseph Mitchell and wife Estate and legacy duties...... 14,250,000 Higher license duties...... 13,000,000 Herbert Foster and wife vere at Spirit duties 8,000,000 16c. per lb. on manufactured tobacco.... 9,500,000

In brief, the new budget in the first place leaves the necessaries of life unevening last. Over forty scholars took, touched and taxes only the luxuries -- whiskey and tobacco chiefly.

Mr. William Marshall from William- part in the exercises. All passed off In the second place, it levies the heaviest toll on the rich, on those, that is ston is the guest of his sister, Mrs. very nicely, but the little folks 'rook to say, best able to bear it. In the third place, all the proceeds of the taxes in-Mr. and Mrs. S. Hall from Law- were all served candy and cranges. The total amount of revenue which it is estimated the budget will bring into

fiscal year was \$741,950,000.
