

P. C. I. ROLL OF SERVICE

material has been gathered.

We have now in our Entrance Hall a bronze tablet containing the names of those who gave their lives in the War, but we have not as yet a complete Roll of Service to supplement it. It is hoped to have one engrossed in the near future, and it is mainly on that account that this printed list is sent out with the accompanying Memoir, in order that any errors may be rectified and omissions supplied. You are urgently requested to go over the list carefully, and to send any criticisms (preferably in writing) to Miss N. Spence, 24 Dowling Apts., Toronto. The names of the military units will probably not appear on the engrossed Roll of Service, but they are added here for the sake of identification and general information. The names of the fallen are marked by an asterisk.

The Edition of Memoir and Roll of Service is limited to 1000 copies. Complimentary copies are being sent to the returned soldiers and nurses and to the parents of those who gave their lives. A number of addresses are, however, unknown at present; and you will be doing a very kind service if you will send word of any person of whom you may know who does not receive a copy. The complimentary copies will take more than half the edition; the remaining copies will be for sale at cost (\$1.25 a copy), and may be obtained from Miss N. Spence, 24 Dowling Apartments, or Mr. Wm. Laws, 206 Close Avenue, Toronto.
