WE READ AND INDEX

In our offices daily the Principle

Engineering and Technical Journal and
Proceedings of Engineering Societies

of the world, and can furnish particulars of all articles of importance that have been written on any Engineering or technical subject.

THE TECHNICAL INDEX

PUBLISHED IN ENGLISH AND FRENCH.

Carefully classified according to speciality appears Monthly (since April 1903,) and contains the title, with concise explanation when necessary, of all the articles of importance appearing in the engineering journals, as well as the titles of the various new books published on engineering subjects. It has already recorded **60,000 articles of interest.**

THE TECHNICAL INDEX supplies its subscribers with copies of articles on any engineering question.

Inquiries in any language promptly attended to.
