I would take this opportunity to assure all in want of eggs from superior stock, to introduce new blood that will surely improve their stock and also those who are about to start new in the breeding of fancy poultry, that my stock stands second to none on this continent.

Having mated for this season's breeding 8 pens of choice-bred well marked birds, many of them prize-winners of large size, vigorous constitutions, and extraordinary laying qualities, the chicks hatched from eggs sent from my yards cannot fail to please all.
