

covering the frame might be raised slightly at the back to enable a current of air to pass up through the hive. This will assist in carrying off the moisture in the hive, and ripen the honey more rapidly, especially where hives are tiered up, as it requires a very large force of bees to fan their wings in order to draw a sufficient current of air through the supers back to the bottom of the hive out of the entrance. The opening at the top will give them sufficient ventilation, causing the draft to enter and the air to pass through every portion of the hive.

Now is a good time to change old queens for young ones; as a hive being queenless or without a laying queen in the height of the honey season, is not so important as it is to have a young laying queen the following spring to build up a colony rapidly.

HAIR ON THE NECK, FACE, ARMS OR ANY PART OF THE PERSON

New Discovery by Accident

SILK DRESS

TO INTRODUCE IT.

QUICKLY described and permanently removed with QUEEN'S ANTI-HAIRINE, the new and wonderful discovery. Discovered by accident, while compounding a solution, a part was accidentally spilled on the hand, and on washing afterward it was discovered that the hair on the hand, and on the face, arms, neck, and back, had fallen out, and any child can use it. Let the hair grow, and a few minutes, and the hair disappears as if by magic. No adhesive has been employed with hair on their FACE, NECK, and ARMS, and it will remove it permanently. If the growth be high, one application will remove it. It cannot fail. The heavy growth, such as the beard or hair on moles may require one or more applications before all the roots are destroyed, although all hair will be removed at each application without the slightest pain or injury when applied in the proper manner. Young persons who find an eruption of hair on their face, neck, or back, should use it. Prices of Queens Anti-Hairine \$1. per bottle, sent in safety mailing boxes postage paid by us, (securely sealed from observation). Send money or stamps by letter with full address written plainly. Correspondence strictly confidential. This advertisement is honest and straight forward in every word it contains. We invite you to deal with us and you will find every thing as represented. Address Queen Chemical Co., 174 River Street, Cincinnati, Ohio. You can register your letter at any Post Office to insure its safe delivery. We will pay \$500.00 for any case of failure or slightest injury to any purchaser. Every bottle of Queens Anti-Hairine is sealed with a silk dress. To ladies who will introduce and sell among their friends 50 bottles of Queens Anti-Hairine, we will give them a silk dress. Extra large bottle and samples of silk to select from sent with each order.
