Sept., at \$2 per thousand. b4 1y

Carniolan and Italian QUEENS

bred from pure mothers for
the coming season, at a grade of prices to
compare with that of honey production;
and the utmost care should be taken to
have them as good as any man can breed.
Carniolans or Italians, untested, each, 75
cts.; 3 untested queens, \$2; 6 untested
queens, 3 60; tested queens from either
yards, after the 20th of June, each, \$1.
All queens that are known to be mismated
will be sold at 50 cents each, including all
'Yellow Carniolans.'

THE ISLAND HOME

Is the only Queen and Drone Rearing
Establishment in America, where mating
is under perfect control, where all queens
are mated on an island five miles from
mainland to

HAND-PICKED DRONES

They are acknowledged by all to be the
finest in the world. Our queens are reared
and mated with as much precision as you
can breed sheep; therefore we have no such
thing as tested and untested queens—ours
are

Thoroughbred Queens.

One queen of our original stock, G. M.
Doolittle valued at \$50.

We warrant every queen to produce Five
Banded Bees, equal to sample, which we
send free by mail to all who apply. (Ask
other breeders for such a guarantee.) Safe
arrival and satisfaction in all cases. Drop
us a card, and have a look at the finest bees
in the world. truly yours,

A. W. BROWN, PORT ROWAN, ONT.
