DEAR SIR—I am six years old and can not write very good: got my sister Ida to write for me. My auntie sent me twenty-five cents. I will send it to you for the Home Missions.

ELLA C. STONE.

Dear Ella—Your kind letter was received and the little twenty-cent Dominion note. We thank you and hope that you will soon be able to write your self. It is very pleasant to hear from our little friends and learn their interest in mission work.

TEN cents was also received from Miss Geraldine Gee, Pickering, Ont. We thank Miss Geraldine. If she sent a letter, it is mislaid, so we cannot print it. If the money came by the hand of a friend—all right—it was received, and we hope that we shall hear from Miss Gee again.
