the blood from the brain, and relieve and
cure all forms of Congestive and Nervous
Headache, Bilious Headache, and Sick
Headache; and by keeping the bowels free,
and preserving the system in a healthful
condition, they insure immunity from future
attacks. Try

WHAT IS CATARRH?

[From the Toronto (Canada) "Mail"]

Catarrh is a mucopurulent discharge caused
by the presence and development of the vege-
table parasite amoeba in the internal lining
membrane of the nose. This parasite is only
developed under favorable circumstances, and
these are: Morbid state of the blood, as the
blighted corpuscle of tubercle, the germ poison
of syphilis, mercury, toxemia, from the reten-
tion of the effete matter of the skin, sup-
pressed perspiration, badly ventilated sleeping
apartments, and other poisons that are germi-
nated in the blood. These poisons keep the
internal lining membrane of the nose in a
constant state of irritation, ever ready for the
deposit of the seeds of these germs, which
spread up the nostrils and down the fauces, or
back of the throat, causing ulceration of the
throat; up the Eustachian tubes, causing
deafness; burrowing in the vocal cords,
causing hoarseness; usurping the proper
structure of the bronchial tubes, ending in
pulmonary consumption and death.

A New Treatment

**FOR THE
RAPID AND
PERMANENT
CURE OF
CATARRH**

**A. H. DIXON & SON,
TORONTO, CANADA.**

No 305 KING ST.
WEST.

Many attempts have been made to discover
a cure for this distressing disease by the use
of inhalants and other ingenious devices, but
none of these treatments can do a particle of
good until the parasites are either destroyed
or removed from the mucus tissue.

Some time since a well-known physician of
forty years' standing, after much experiment-
ing, succeeded in discovering the necessary
combination of ingredients which never fails
in absolutely and permanently eradicating
this horrible disease, whether standing for
one year or forty years. Those who may be
suffering from the above disease should, with-
out delay, communicate with the business
managers, Messrs. A. H. DIXON & SON,
205 King Street West, Toronto, and get full particulars and treatise free by enclosing stamp.

What the Rev. E. B. Stevenson, B. A., a Clergyman of the London Conference of the Methodist
Church of Canada, has to say in regard to A. H. Dixon & Son's
New Treatment for Catarrh.

Messrs. A. H. Dixon & Son:
Dear Sirs,—Yours of the 17th inst. to hand. It seems almost too good to be true that I am cured of
Catarrh, but I know that I am. I have had no return of the disease and never felt better in my life.
I have tried so many things for catarrh, suffered so much and for so many years, that it is hard for me to
realize that I am really better.
I consider that mine was a very bad case. It was aggravated and chronic, involving the throat as
well as the nasal passages, and I thought I would require the three treatments, but feel fully cured by the
two—ent me, and I am thankful that I was ever induced to send to you.
You are at liberty to use this letter, stating that I have been cured at two treatments, and I shall
gladly recommend your remedy to some of my friends who are sufferers.
Yours, with many thanks,
REV. E. B. STEVENSON.
