On Wednesday evening June 1st, the last meeting of the Gaelic Society for this scholastic year was held at the home of the secretary Mr. J. J. O'Gorman, '04. A large attendance was present and a very pleasant evening was spent. The President, Dr. O'Boyle, O.M.I., after the usual prayers in Irish announced to the member that the minute book and some valuable old Irish books belonging to the society were not totally ruined by the fire, having been found among the debris somewhat damaged but not destroyed. Mr. T. Tobin then read a succinct study of St. Columbcille. The host of the evening, Mr. J. J. O'Gorman, introduced an animated discussion on Ireland as seen by an American visitor. Mr. O'Gorman gave the members some very valuable notes on his own journey to the old country.
