loved. When we say "Thy kingdom come !" let us not raise our eyes to the heavens, but let us look at China, Africa, India, and South America. Let us view our mission work in circulating the Bible, and in sending abroad living preachers to live the Gospel, as a part and parcel of the common duty of our every-day devotion, and not the occasional function of a religious life that spends its strength at home and gives the residue abroad.

Hon. Vice-Chancellor Blake, in seconding the resolution, said that they must all be grateful to the Rev. Dr. Duryea for the eloquent and stirring address he had delivered. The rev. gentleman had made them feel that in the grand work of discipling the world they and the American nation were one. He might take the opportunity to say that he did not believe any person could take the Bible and carefully read it without finding in it the light which it was intended he should find, and it was because he implicitly believed in this as he did in his own existence that he saw that they should not keep this treasure to themselves, but distribute it throughout the length and breadth of the land. It was because they believed that Christ was the power of salvation, and that they thought that others should be taught to know Him. A great deal had been made of the fact that, notwithstanding the introduction of the Bible, idolatry, infidelity and sin still existed. He could only say that he knew of no period in the world's history in which God was glorifying Himself to a greater extent in His Word than at the present time. If they cast their eyes over the world and saw what the Bible was doing, they would be surprised to see that the power of God was the same now as in the day of Peter. He concluded by referring to the fact that in July an International Convention of the Young Men's Christian Associations was to be held in Toronto, and expressed a hope that the Rev. Dr. Duryea would attend and bring two or three more like himself, who could address them in the same stirring manner.

The resolution was carried.

Rev. W. W. Ross moved—"That this Society heartily approves of the practice of the British and Foreign Bible Society in circulating versions translated from the Vulgate in countries where more perfect ones, or Protestant translations from the original languages, will not be received; and rejoices that the recent attacks against our great Parent Society in England have been overruled in establishing her more firmly than ever in the confidence of the Christian public."

Hon. Wm. McMaster seconded the motion, and the resolution was carried.

The fourth resolution was moved by Rev. J. M. Cameron, seconded by Dr. Geikie—"That the hearty thanks of this meeting be presented to the Very Rev. the Dean and the Churchwardens of St. James' Cathedral for its use on Sabbath evening last, and to the Rev. Charles R. Matthew, B.A., for the instructive sermon which he preached in the interest of the Society on that occasion."

The fifth resolution was moved by J. George Hodgins, LL.D., seconded by Col. Moffatt—" That the hearty thanks of this meeting be presented to the Pastor and Trustees of this church for its use on the present occasion, and to the organist, choir, and children for their valuable services in connection with this annual meeting."

The proceedings terminated with the benediction.
