### NERVOUSNESS CURED BY ONE BOTTLE.

Sierran House Barber Shop, W. A. Hettich, prop. CHICAGO, Oct. 1887.

The wife of the undersigned was troubled with nervousness about a year and a half ago to such an extent that she was almost without any sleep for some months. Physicians and medicines were without avail and it appeared as last necessary that she would have to be removed to an asylum, but upon advice of the physician a last trial was made with a change of climate, but without having derived any benefit whatever. After an eight weeks' absence she returned home and was then advised to try Father Koehnig's Nerve Tonic and am glad to say now that the first dose of the medicine improved her condition and after taking one bottle full of it she recovered her health entirely. So that since then she has needed no doctor or medicine.
