

EGGS

Some of the Eggs coming forward are showing age, having either been held too long by farmers or merchants. On account of the inferior quality, sales are slow this week, and lower prices have to be accepted in order to make sales. We strongly advise our customers to keep their shipments moving to market freely so as to save losses.

We wish to draw the attention of country shippers to the fact, that commencing on 1st May last, we have been placing new clean Fillers in all Egg Cases going out to the country. We have placed the repairing and renewing of Cases in the hands of one man, who is responsible for the work, and we find our customers at country points are well pleased with our efforts to improve the Egg trade. We ask shippers to insist on getting our Cases at their railway station. All Cases are carefully addressed to shippers with our own tags. In some instances we have been informed that our customers have accepted Cases from Agents at stations which were sent out without tags by other Wholesale Houses in Winnipeg, and in turn our Cases were delivered to other Houses customers. Please do not fail to order our Cases, whether you ship your Eggs to us or to some other House in City and insist on getting the Cases you order.

We charge all Cases out at forty cents and credit them at same when returned to us with Eggs.
