

PHYSICAL EXHAUSTION.

HORSFORD'S ACID PHOSPHATE.

It is a well-known physiological fact that the phosphates are involved in all waste and repair, and are consumed with every effort. The quantity secreted by the kidneys is increased by labor of the muscles.

In the healthy organization, the phosphate of lime exists in the muscles and bones. This phosphate is supplied by this preparation in such form as to be readily assimilated.

DR. J. P. COWLES, Campden Me., says: "I have used it in cases of physical debility arising from exhaustive habits or labors, with beneficial results."

Send for descriptive circular. Physicians who wish to test it will be furnished a bottle on application, without expense, except express charges.

Prepared under the direction of PROF. N. E. HORSFORD, by the **RUMFORD CHEMICAL WORKS, PROVIDENCE, R. I.**

Beware of Substitutes and Imitations.

CAUTION.—Be sure the word "Horsford" is printed on the label. All others are spurious. Never sold in bulk.

DELICIOUS AS HONEY.

MALTINE WITH COD LIVER OIL.

Does not disturb Digestion or offend the Palate.

CAN BE USED WHERE

"EMULSIONS"

CANNOT BE TOLERATED.

FROM ALEXANDER W. MACCOY,
*Prof. of Diseases of Throat and Nose in Phil. Polycli-
nic and School for Graduates in Medicine.*

PHILADELPHIA, Pa., October 3, 1889.

I have found the combination of Cod Liver Oil and Maltine a very satisfactory preparation as a reconstructive in cases of emaciation, arising from serious pulmonary disease. The combination is also effective in improving the general condition in numerous cases of nasal catarrh, enlargement of the tonsils, etc. It is readily taken and easily assimilated, and is particularly agreeable to the palate of the young,

FROM H. W. SKERRY, M. D.,
Visiting Physician to Brooklyn Home for Consumptives.
BROOKLYN, N. Y., October 15, 1889.

I have used "Maltine with Cod Liver Oil" in the Brooklyn Home for Consumptives, where I have been very much pleased with its action. I HAVE USED IT ESPECIALLY WITH PATIENTS WHO WERE UNABLE TO TAKE AND RETAIN COD LIVER OIL, EITHER PURE OR IN THE DIFFERENT "EMULSIONS" AT OUR SERVICE. In these cases, when placed upon "Maltine with Cod Liver Oil" there was no reason to discontinue its use.
