

HOLIDAY PERFUMES

IN FANCY GLASS-STOPPERED BOTTLES
CASED IN BEAUTIFUL SATIN-LINED BOXES

THIS year's line is better than ever, good and fast selling as previous seasons' goods have been. As before we use HUGUES GUEZET'S TRIPLE EXTRACTS (manufactured at Grasse, France), but we have altered and improved our packages. The handsome orders already received sufficiently indicate the value and tastefulness of our goods. Letter orders stating retail prices will be filled to satisfaction.
