DUFFERIN TERRACE!

Capital Stock. \$200,000,

LIMITED LIABILITY,

IN SHARES OF \$100 EACH.

Allotment of Shares for Quebec, - \$100,000

Quarterly Dividends Guaranteed at the
Rate of Six per Cent. per Annum.

No Calls till the Company is fully organized, Directors elected, Tenders received for Construction of Building, and a Lease entered with the Russell Hotel Co., which will provide for the Furnishing of the Hotel in a manner equal to the Windsor at Montreal, and full and ample Guarantee for Dividend to Stockholders, with Sinking Fund, &c, &c.

THE NECESSITY OF SUITABLE HOTEL Accommodation in Quebec for the constantly increasing travel which will be augmented yearly by the new lines of communication opening up with our city, has prompted the action of the promoters of the present scheme. The necessary ground for the erection of the building on the site facing the Dufferin Terrace, unsurpassed in the world as to position and grandeur of scenic surroundings, has been obtained from the Government of the Province of Quebec on favorable terms; and it now only remains with the citizens at large, the point coming home to every one who has the advancement of Quebec at heart, to respond to the appeal of the promoters in having the \$100,000 allotted to Quebec subscribed without delay, thus conferring on the city the boon of a truly modern hotel, which, in itself, combined with the location, will result in our city being crowded at all times by travellers, thus resulting in incalculable general benefits.

Conditions of Stock Subscription.

So soon as \$100,000 is taken up, a meeting of the subscribers will be called for the election of five Directors, one of whom shall be chosen president,—three to form a quorum. The Directors will call for tenders, thereby establishing the cost of the building, and forming the basis of proposed arrangements with the Russell Hotel Company for the lease, guarantee of stock dividends and sinking fund, and until such action is had by the Directors in a manner entirely to their satisfaction, no calls will be made on the stock and the organization not considered perfected; it may be proper to state that the proposal to lease the Hotel for a term of 20 years to the Russell Hotel Co., covers the guarantee that about \$100,000 will be expended in furnishing; this item with an insurance for the amount will be held as security for the quarterly dividends, payable to stockholders. In addition, the building is also to be insured at the expense of the Russell Hotel Co., who pay all municipal taxes and ordinary repairs.

The promoters cannot close this outline of the scheme without saying that Quebec, above all cities on this continent which should enjoy modern hotel accommodation, stands in the connection just where she stood twenty-five years ago. This fact, by the travel, is contrasted sadly to our disadvantage, in comparison with American and Canadian cities which have made such vast strides in hotel accommodation during the period referred to.

The Committee on Stock Subscription is composed as follows:—His Worship the Mayor, Messrs. Jas. G. Ross, Hon. P. Garneau, Andrew Thomson, G. R. Renfrew, Owen Murphy, E. Beaudet, M. P. P.; W. A. Griffith, Simon Peters, C. Duquet, Philippe Huot, Willis Russell.
