The value of each of these Bursaries is Two Hundred Dollars yearly with Free Class Tickets for the first two years of the Undergraduate Course, taken consecutively; provided that the holder of Bursary give in a Certificate of Merit at the Seasonal Examinations of the first year. After these two years, the Bursaries are again to be competed for, and will be held during the third and fourth years of the Course, on terms similar to those of the preceding years.

These seven Bursaries are all held for competition to students from the following districts of Nova Scotia, and from New Brunswick and Prince Edward Island, one to each, viz: 1. Students who have already Matriculated at any College are disqualified for competition. The Bursaries will be awarded to those Students from the several districts mentioned, who make the highest total of marks at the Matriculation Examinations; but no Bursary will be awarded unless a Standard of Merit, determined by the Senate, shall be reached by the candidate.
