

M. Foster communicates to the French Academy a new remedy for consumption. M. Foster uses in the first instance raw mutton or beef, which is reduced to a pulp and strained from fibrous portions; it is then mixed with sugar, and from 100 to 300 grammes are given each day. Afterwards he administers every hour small doses of alcohol, mixed with three times the quantity of some sweetening substance.

REMOVAL.

THE SUBSCRIBER begs to inform his friends and the public generally, that he has REMOVED from his Old Establishment, known as "Goulden's Hotel," to his new three story Stone Building, on the Corner of Sussex and Bolton Streets, within three minutes' walk of the Steamboat Landing and Railway Station. The premises are completely fitted up for comfort and convenience, and there is a good yard and stabling accommodation attached. The Subscriber has confidence of being able to afford satisfaction and comfort to his friends and the travelling public, and hopes for a continuance of the patronage extended to him.

THE Directors of this Company are happy to call the attention of their fellow-citizens to the fact, that persons whose properties have been insured mutually, since its Establishment in October, 1859, have saved large sums of money, having generally paid one half only of what they would have paid to other Companies during the same time, as it is proved by the Table published by the Company, and to which it is referred. Therefore, it is with confidence that they invite their friends and the public generally to join them, and to call at the Office, No. 2 St. Sacrament Street, where useful information shall be cheerfully given to every one.

From the HON. THOMAS B. FLORENCE.
Washington, Jan. 1st, 1864.

Gentlemen—Having stated it verbally to you, I have no hesitation in writing the fact, that I experienced marked benefit from your Hoofland German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.—Truly your friend,
THOMAS B. FLORENCE.

From the Rev. Thos. Winter, D. D., Pastor of Roxborough Baptist Church.

Dr. Jackson—Dear Sir: I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters, I did so, and have experienced great and unexpected relief; my health has been very materially benefited. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.—Respectfully yours,
T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Rutztown, Berks County, Pa.

Dr. C. Jackson—Respected Sir: I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.—Yours, with respect,
J. S. HERMAN.

From Julius Lee, Esq., firm of Lee & Walker, the most extensive Music Publishers in the United States, No. 722 Chestnut street, Philadelphia:

February 8th, 1864.
Messrs. Jones & Evans—Gentlemen—My mother-in-law has been so greatly benefited by your Hoofland's German Bitters that I concluded to try it myself. I find it to be an invaluable tonic, and unhesitatingly recommend it to all who are suffering from dyspepsia. I have had that disease in its most obstinate form—flatulency—for many years, and your Bitters has given me ease when everything else had failed.—Yours truly,
JULIUS LEE.

From the Hon. JACOB BROOM:

Philadelphia, Oct. 7th, 1863.
Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitation in saying that it has been highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one bottle gave decided relief, the second effecting a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its use to the sufferers.—Truly yours,
JACOB BROOM, 1707 Spruce Street.
