### AYER'S CHERRY PECTORAL.

Var D. Current Coughs, Colds, Hourseness, Branchites, Who peng-

Cough, Croup, Asthma, and Consumption, Among the numerous discoveries Science has made in this

ment, and even prolong the term of human existence, none can be named of more real value to mankind, than this count inition of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can as anely control and core the aumerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to be-lieve a Remedy has at length been found which can be relied on to core the most dangerous affections of the lungs. Our space for core the most dangerous anactions of the lungs. Four space here will not permit us to putdish any proportion of the cures at tested by its use, but we would present the following optimizes of eniment men, and refer further enquiry to the circular which the Agent below named, will always be plossed to furnish free, where in are full particulars, and indisputable proof of these facts.

Aron, the President of Amberst College, the celebrated

Professor Hitchcock. James C. Ayer-Sir: I have used your Cherry Pectoral in my own case of deep-sented Bronchitis, and sin satisfied from its chemical constitution, that it is an admirable compound for the rejector laryugial and broughlad difficulties. If my opinion as to its superio, character can be of any service, you are at liberty to the star you think proper.

EDWARD HITCHCOCK, L. L. D.

From the widely celebrated Professor Sliman, M.D., I. L.D. Professor of Chemistry, Muncralogy, &c., Yale, College, Member of the Lin. Hist. Med. Pail and Scientific Societies of America and Europe.

"I down the Cherry Pectoral an admirable composition from some of the hest articles in the Materia Medica, and a very effective remedy for the class of diseases it is intended to cure."

Sew Haven, Ct., Nov. 1, 1849.

Many Pattison, President of the S. C. Senate, states he has used the Cherry Pectoral with wonderful success, to cure an ine. Do that gion of the lungs.

From one of the first, Physicians in Manne.

Saco, Me., April 20, 1849.
Dr. J. C. Ayer, Lowell. Dear Sir: I am now constantly using your Cherry Pectoral in my practice, and prefer it to any othe medicine for pulmonary complaints. From observation of man severe cases. I am convinced it will care coughs, colds, and disease of the lungs, that have not to dehance all other remedies.

wases of the lungs, that have put to deliance all other remedies. I invariably recommend its use in cases of consumpt in, and consider it much the best remody known for that disease
