Caverhill Buildings, St. Peter Street, Montreal.**Mercantile Summary.**THE DOMINION Government have agreed to
devote \$2,500 to deepening the mouth of the
river Thames, upon condition that the town of
Chatham spends a like amount, which there is
little doubt will be agreed to.AMONG THE deputations which have been
appointed to wait upon the Premier is one con-
sisting of Messrs. Matthews and Paterson, to
convey the views of Montreal merchants upon
the question of improving the system of bonding
goods.MR. J. B. LAFLEUR has been chosen Secre-
tary of the Provisional Board of Directors of
the St. Jean Baptiste Bank in place of Mr. J.
E. Lanfond, now under arrest in connection
with a Custom House robbery of silks in Mont-
real.THERE is heavy weather in the Gulf of St.
Lawrence. Four inward bound vessels and the
steamship "Chesspeake" are ashore. Others
have suffered from contact with the ice, which
is pressed in by northerly and easterly winds
along the coasts and harbours of Cape Breton
and Newfoundland. Forty two vessels arriv-
ed in Quebec in one day this week. Many
more are overdue.THE LOCAL government of New Brunswick
are appointing delegates to proceed to the old
countries and buy horses, cattle, swine and sheep,
for the improvement of the animals of that Pro-
vince. The Government are retaining from
local agricultural Societies half their annual
grant, to supplement the fund set aside for the
purchase of stock.THE MONTREAL *Witness* contains a commu-
nication of importance respecting what is term-
ed the Steamboat monopoly on the Red River.
It appears that Canadian steamers are not per-
mitted to ply upon the American portion of Red
River, although American boats are, and the
latter possess the sole right of carrying bonded
Canadian freight, which they do at the rate of
\$2.50 per hundred from Moorhead to Winnipeg,
