

QUIPS AND CRANKS.

An advertisement in a rural bookseller's window reads: Mill on Liberty. Ditto on the Floss.

Miss Foxy: I'm going into the conservatory, Mr. Softly, won't you join me?  
Mr. Softly: Ee-er—not without my chaperone, Miss Foxy.

MRS. ALVA YOUNG,

Of Waterford, Ont., writes, "My baby was very sick with summer complaint, and nothing would help him till I tried Dr. Fowler's Extract of Wild Strawberry, which cured him at once. It is one of the best remedies I ever used."

Teacher: How will you ever get along in the world if you never learn to spell?  
Little Daisy: I shall not need to know how to spell; I intend to be a type-writer.

CONSIDERED THE BEST.

Dear Sirs,—I also can bear testimony to the value of your wonderful remedy for the stomach, liver, bowels and blood, B. B. B. I have used it as well as Burdock Pills for over three years, when necessary, and find them the best remedies I have ever used for constipation.

Mrs. Gregor, Owen Sound, Ont.

She: You won't object to having my dear mamma live with us after we are married, will you? He a young physician: Not at all. In fact she'll be most welcome. She: I'm so glad you feel that way. He: Yes; you see she is always ailing, and I really need somebody to experiment on.

BILIOUSNESS CURED.

Gentlemen,—I have used Burdock Blood Bitters for Biliousness and find it the best remedy for this complaint. I used several other remedies, but they all failed to do me any good. However, it required only two bottles of B. B. B. to cure me completely, and I can recommend it to all.

Yours truly,

Wm. Robinson, Wallaceburg.

When Charles Dudley Warner, says the Book Buyer, was the editor of the Hartford (Conn.) Press, back in the "sixties," arousing the patriotism of the State by his vigorous appeals, one of the type-setters came in from the composing room and, planting himself before the editor, said: "Well, Mr. Warner, I've decided to enlist in the army." With mingled sensations of pride and responsibility, Mr. Warner replied, encouragingly, that he was glad to see that the man felt the call of duty. "Oh, it isn't that," said the truthful compositor; "but I'd rather be shot than try to set any more of your copy."

"Golden Medical Discovery" cures those diseases which come from blood impurities—scrofula and skin diseases, sores and swellings.

But does it? It's put up by the thousands of gallons, and sold to hundreds of thousands. Can it cure as well as though it had been compounded just for you?

Its makers say that thousands of people who have had Tetters and Salt-rheum, Eczema and Erysipelas, Carbuncles and Bores Eyes, Thick Neck and Enlarged Glands, are well to-day because they used it.

Suppose that this is so. Suppose that a quick-witted man was far-seeing enough to know that to cleanse the blood was to cleanse the life. Suppose that after many experiments, and after many failures, he discovered this golden key to health, and that his faith in it for you is so strong that you can go to your druggist, buy a bottle, and if it doesn't help you, you can get your money returned—cheerfully. Will you try it?

The remedy to have faith in is the remedy the makers themselves have faith in.
