

submit, including in relation to the proportion of wheat-flour:

(iii) the industrial programs of any country

and

(iv) the normal traditional volume and ratio of imports of wheat-flour and wheat grain and the quality and grade of wheat-flour and wheat grain imported by the importing countries concerned.

(d) Each importing country required by the Council's decision under subparagraph (c) to offer to purchase quantities of wheat grain and/or wheat-flour from the exporting country shall, within thirty days from the date of that decision, offer to purchase those quantities from such exporting country for loading during the period provided under subparagraph (c) at prices consistent with the minimum prices specified in or determined under Article VI and, unless those countries agree otherwise, on the same conditions regarding the currency in which payment is to be made as prevail generally between them at that time. If no trade relations have hitherto existed between the exporting country and the importing country concerned and if those countries fail to agree on the currency in which payment is to be made, the Council shall decide the issue.
