

ARTICLE 2

Competent authorities

A competent authority of a requesting Party is an authority responsible in Canada or in the European Union for processing API/PNR data of persons on eligible journeys as specified in Annex I to this Agreement, which forms an integral part thereof.

ARTICLE 3

Processing of API/PNR data

1. The Parties agree that API/PNR data of persons on eligible journeys will be processed as outlined in the Commitments made by the competent authority obtaining the API/PNR data.
2. The Commitments set forth the rules and procedures for the transmission and protection of API/PNR data of persons on eligible journeys provided to a competent authority.
3. The competent authority shall process API/PNR data received and treat persons on eligible journeys to which the API/PNR data relates in accordance with applicable laws and constitutional requirements, without discrimination, in particular on the basis of nationality and/or country of residence.
