

After consideration of the views of all concerned, and as soon as possible after these public hearings, the Commission will present an interim report recommending, for the approval of the two Governments, a range of lake levels and criteria for acceptable duration of high stages of Lake Ontario.

If the two Governments approve the recommendations which will be contained in the interim report, the Commission will put the recommendations into effect by issuing an appropriate supplement to its Order of Approval, dated 29 October, 1952. The Commission hopes to be able to issue this supplement on or about 1 May, 1955.

Yours sincerely,

(sgd) A.G.L. McNaughton
Chairman, Canadian Section,
International Joint Commission.
