BUREAU DU PRÉSIDENT GÉNÉRAL

97, RUE SAINT-JACQUES

Montreal, June 24th., 1925.

Sir Arthur Currie, G.C.M.G., K.C.B., L.L.D.,
Principal McGill University,
Sherbrooke St., West, MONTREAL.

Dear Sir,

To commemorate the official recognition of the 24th. of June as the national holiday of the French-Canadians, our Society has been organizing for this year's celebration a series of festivities, including in the afternoon (Wednesday, June 24th.,) an historical procession, carefully designed and staged by a Committee of local artists and historians. The program which we include herewith, is a most elaborate one and has been advertised throughout Canada and the United-States, from where we expect a great number of visitors.

The procession will follow Sherbrooke Street, from Guy to Maisonneuve Street, and of course, we invite residents along the route to decorate.

A special trophy is being donated for the best decoration on the route.

As an institution which is patronized by the public and which is among those which adorn our Sherbrooke Street, we take the liberty of inviting you to show your appreciation for the event by decorating.

Trusting you will also appreciate the efforts we are making to attract visitors to our city, I thank you by anticipation, and

I remain,

Yours very truly,

Leon Trepanier

PRESIDENT.
