Alderman W. H. Weldon,
Executive Committee,
City Hall,
Montreal. P. Q.

Dear Alderman Weldon,

Sir Thomas Tait came to see me this morning and has shown me a copy of the by-law with regard to the restrictions to be placed upon the area between Guy and City Councillors Streets on Sherbrooke Street. I am writing to you now to say that McGill University cordially approves of these restrictions and will support any movement to that end.

Ever yours faithfully,

Principal.
