My dear President,

With further reference to the project of a History of Parliament, in which Professor H.A.L. Fisher proposes that Canadian Universities should have a part, I am enclosing copy of my reply, in which I have said that because of the loss of the late Professor W.T.Waugh and our being left with a depleted Department of History, and because we cannot afford the expense involved, we are unable to do as he suggests.

Have you heard any more about it? I should be interested to hear whether Toronto decides to go on on the scheme or not.

With all kind wishes,

I am,

Ever yours faithfully,

Principal.

Hon. and Rev. H.J.Cody, D.D., LL.D.,
President, Toronto University,
Toronto, Ontario.
