WE the subscribers, merchants of Salem, convinced of the necessity of rendering the forms  
of business, the value of coins, and the nature of commerce more familiar to the United States,  
as a commercial people, do approve of the *Mercantile Arithmetic* of Mr. WALSH, and recom-  
mend it as calculated to subserve in the best manner the instruction of our youth, and the pur-  
poses of a well informed merchant.
