Interpreters figured in abundance in the assize court yesterday when Tony George, a. husky young Macedonian, was found guilty of shooting and ac-casioning bodily harm to A G. Ray-koff, former public court interpreter, and Vladoslava Konka, now Mrs. Ray-koff, on June 4. The prisoner will be sentenced today. Jealousy was the cause of the crime, and Crown Counsel DuVernet briefly stated the facts when he addressed the jury, saying: "It is something in the favor of the young man that he said no word against the girl. He admits the shooting. He had been keeping company with the young lady and thought that there should be no competition. His way of expressing his resentment 's not tolerated in this country." WASHINGTON, Oct. 15 .- Representative Gardner of Massachusetts introduced a resolution in the house today for an investigation of the United States for a war, offensive or defensive. In a statement accompanyin the document, Mr. Gardner, who has recently returned from Europe, said that he was convinced that the German cause was an "unroly one," and moreover a menace to the principles of democracy. He believed the God of battles would visit defeat upon the Germans. Nevertheless, it was essential that the United States reorganize its military strength if the nation expects to resist high-handed measures in its day of necessity.
