OUR LADY OF LOURDES CHURCH IS DEDICATED

Bishop O'Connor of Peterboro and Prominent Clergy Took Part in Ceremony.

With Our Lady of Lourdes Church packed to the doors yesterday morning, the handsome new edifice was solemnly dedicated to its patron saint by Right Reverend Bishop Richard O'Connor of Peterboro. He was assisted in the ceremony by several of the clergy, and the services of the dedication were followed immediately by a recitation of the litany of the saints, and solemn high mass. The church, both interior and exterior, was blessed by the reverend bishop, and was also dedicated. Solemn high mass was then said, the following priests officiating at the altar: Celebrant, Rev. Fr. Cunningham, pastor; deacon, Rev. Fr. W. McCann, St. Francis' Church; sub-deacon, Rev. Fr. E. Walsh, St. Helen's Church; master of ceremonies, Rev. Fr. Morrow, Rev. Dr. Kidd, administrator, presided in the sanctuary. Attendants on the altar were Revs. Fr. D. N. Hand and LeBelleville. Present in the sanctuary were Revs. Fr. Hayes and Sullivan, of St. Michael's College, Rev. Fr. Gale of Formosa, and Rev. Fr. Jones of St. Patrick's Church.

At high mass yesterday, the opening of a three weeks' mission at Our Lady of Lourdes Church to be conducted by Revs. Frs. Kenney and Moran of the Paulist order, took place.

Over 1200 women attended the opening service last evening, when Rev. Fr. Moran preached on "The Purpose of Life." To-night Rev. Fr. Kennedy will take for his theme "The One Evil," and Tuesday evening Rev. Fr. Kennedy will speak on "The Lesson of Death."

The lectures during the week of the mission devoted to non-Catholics will not be of a controversial nature, nor attacks on other religions, but explanatory of the Catholic faith. A question box will be conducted in connection with the lectures from which each following evening all questions will be answered from the pulpit.

TRAGIC FAMILY REUNION

BUTLER, Pa., Jan. 28.—(Can. Press.)—Four persons were burned to death or suffocated and five others are in a serious condition as a result of a fire early to-day at the home of Curtis Hale, at Clayton, a mining town ten miles from here.

A family reunion was held at the home of Curtis Hale, Saturday night. The fire was discovered at 3 o'clock this morning. An overheated stove or the explosion of a lamp is thought to have been the cause.

MAY RETAIN CHAIRMAN

Proposed Compromise on Montreal Harbor Board Difficult.

OTTAWA, Jan. 27.—(Special.)—Rather a tense feeling prevails among the Conservative members for Montreal district over the demand for the dismissal of G. W. Stephens, C. C. Hallock, and E. G. Gordon, harbor commissioners for the port of Montreal.

Mr. B. Amos, who represents the St. Anthony division, and who has always taken a close and practical interest in all that refers to shipping and commerce, led off in his insistence that the commissioners be allowed to retain their positions. On the other side, Mr. Dolph Forger (Charlevoix), and Louis Coderre (Stochel), head a vigorous demand for the heads of the commissioners.

The names which are put forward as active aspirants for the position are: F. L. Wanklyn, H. A. Ekers and Col. A. E. Labelle. The opinion seems to prevail here that G. W. Stephens, the present chairman, will be allowed to retain his post, his colleagues being succeeded by Messrs. Ekers and Labelle. Mr. Ekers is a brewer, and has twice contested the St. Lawrence division of Montreal. Colonel Labelle is the former officer commanding the 6th Rifles, and has large milling interests.

To Settle Manitoba Boundry

WINNIPEG, Jan. 28.—(Can. Press.)—Premier Roblin and Hon. Colin H. Campbell, minister of public works, left last night for Ottawa in connection with the extension of boundaries of this province. It is expected that the bill dealing with the same will shortly be presented to the house at Ottawa, and it is for the purpose of working out the final details of the bill that the ministers are going to Ottawa.

Hon. G. R. Coates, who was also to have gone east with the other ministers, but owing to illness, was forced to cancel arrangements in this connection.

Stand Firm on Metal Tariff

Democratic Bill Will Go Through To-day, Despite Sincere Opposition of Republicans.

WASHINGTON, Jan. 27.—(Can. Press.)—In order not to pass the metal tariff revision bill on Sunday morning, the Democratic leaders of the house, after finishing the measure almost to a last paragraph, adjourned that body a few minutes before midnight to-night. They will pass it early Monday. All attempts of the Republicans to amend the measure failed. The session was marked by sharp divisions between the Democrats and insurgent Republicans and the open declaration of many of the insurgents that they would vote against the bill.

The bill as it will go to the senate Monday will carry an average reduction of tariff duties on all metal articles of about 25 per cent. from the rates of the Payne-Aldrich law now in force. It is expected it becomes law in the next few days, and will reduce the revenue about \$90,000,000.

The debate was marked by charges from regular and insurgent Republicans that the Democrats were applying "gag rule." Many amendments were voted down. Under Wood's machine ruled all of them.

ARRANGED OVER, BUT PEACE RULES CHINA

Opposition to Republic Seems to Have Petered Out—Abdication Coming Soon.

NANKING, Jan. 28.—(Can. Press.)—The armistice, which has been in operation for several weeks past, expired to-day, but no definite steps have been taken for its renewal. Neither Tang Shao Yi, the representative of Yuan Shi Kai, nor Wu Ting Fang, the republican minister of justice, expects serious fighting. Dr. Wu said in this connection that he believed the armistice would be renewed.

"There is no one to fight; all are our friends."

Chang Hsun, commander of the imperial troops, has his central base at Suchow, in the northern part of Kiangsu province. Under his direct command are 8000 of all sorts of good fighters, issued to the winter.

The revolutionaries, who numbered 100,000 men, in Anhwei Province, about 100 miles from Nanking. The revolutionaries, numbered 15,000 men, eager for fighting, but not acclimated.

Chang is Wily.

Gen. Chang now occupies a special car, from which point of vantage he directs his troops, but a significant fact is that an engine is attached to both ends of the car. His retreat, however, is cut off 100 miles to the north by the old railway line, which turned over a few days ago to the revolutionary cause.

Confidently believed here that the abdication will come when Yuan Shi Kai is satisfied that the Chinese troops in Pekin are sufficient in numbers to control Manchuria.

Senators Cheer Republic.

The new senate was inaugurated here yesterday. It is made up of 43 senators, elected by the provinces.

President Sun, at 6 p.m., in a speech, urged unity. He said that it was proposed by the new regime to bring the hands on the clock of the president's address there was an impressive scene, the members rising in a body and giving three cheers for the republic. The hall was handsomely decorated and a military band played popular airs familiar to the foreigners.

CAN'T OUST GOULIN IF HARBOR BOARD IS KEPT

French Canadian Supporters of Borden Are in Earnest, But Not Defiant.

MONTRÉAL, Jan. 28.—(Special.)—There is a good deal of feeling amongst the French-Canadian supporters of the lack of political sagacity on the part of the government in keeping the Montreal harbor in charge of a committee of military officers. The wrong to say that they are going to desert the government.

The very night the reports were sent out that twenty-one had left the seat of government at least four hundred members have been assured by Premier Borden that the whole matter will be threshed out in caucus about Tuesday.

Members have been assured by Premier Borden that the whole matter will be threshed out in caucus about Tuesday.

As long as it lasts the Quebec government is a menace to the security of the Dominion, and the sooner it is asserted, makes it out of the question to dislodge Sir Lomer Goulin. If the government is not ready to do this, the Quebec Government.

AUSTRALIA IS WILLING.

MELBOURNE, Jan. 28.—(Can. Press.)—The Australian prime minister, Andrew Fisher, in an interview to-day said that he had received to official intimation of the proposals for a reciprocal trade agreement between Australia and Canada.

The Australian prime minister, Andrew Fisher, in an interview to-day said that he had received to official intimation of the proposals for a reciprocal trade agreement between Australia and Canada.

Both the prime minister and the minister of commerce, George Reid, are in favor of the proposal.

The visit of the Canadian minister to Australia would be heartily welcomed, as such a visit would greatly facilitate negotiations. But it is believed that the proposal will be accepted.

MODERN WOODMEN RATES INCREASE.

CHICAGO, Jan. 27.—The proposition for the revision upwards of the insurance rates on the Modern Woodmen of America was adopted at the convention by a vote of 460 for high grades against 307 opposing the proposition.

The plan increases the rate of insurance from 50 to 100 per cent. and provides for 12 assessments each year. Members have heretofore contributed from 9 to 11 assessments yearly.

WORKING ON CENSUS.

The collection of the census cards was completed on Saturday, and the work of checking and tabulating, which is now in progress, will occupy the greater part of this week.

Notwithstanding the care taken to guard against mistakes it is possible that some may have occurred. Those who have reason to believe they have their names omitted to the chief constable's office promptly, so that any necessary correction may be made before the final returns are made up.

Opera Director Hurt.

MONTRÉAL, Jan. 28.—Albert Clark-Jean, artistic director of the Montreal Opera Co., was severely injured in a collision between a taxi-cab and a street car on Saturday and will probably be laid up for two or three weeks.

Valuable Horse Shot.

Breaking loose from its stall in Townsend's Livery Stable in Yorkville-avenue, Sunday afternoon, a carriage horse valued at \$200 ran at top speed along Yorkville-avenue and into an Avenue-road car, injuring one of its front legs so badly that it had to be shot.

STILL OPPOSED TO JESUITISM

Continued From Page 1.

stand publicly because of the challenge of Father Vaughan that his was the only true religion. It was not to be overlooked that the Roman Catholic Church possesses many great men who had accomplished much, especially for the promotion of architecture, music and art, and that its members are in a varied light and would be saved thru their sincerity. He has no unkind word to say of any Roman Catholic, but when the old church learn to love as well as she now knows how to hate, she will be more Christian.

Jesuitism had shown what it could do when given the opportunity by the Italian, Spain, and the South American countries. He believed the oath he recently read to be the truest of its performance. Men can be trained up and down. Men can who was trying the efficacy of an antidote on himself, shut himself in a room alone for the experiment. It was a failure, and the mortality bill, he wrote a note saying, "I am dying, but I am glad to die willingly for the sake of science."

Pope Paul IV. established the Order of Jesuits under Ignatius Loyola in 1540. Canada was conquered by the British in 1763, and the Jesuits were suppressed by the British Government in 1774.

Expelled the Jesuits.

Sixty-three countries or states had expelled the Jesuits. The list includes Great Britain three times. (Applause.)

A voice: "England six times into the owner of the voice wanted to follow up by making running comments on the approval of the sermon, and also to be suppressed by repeated allusions from the preacher.

Pope Benedict XIX. issued a bull suppressing the Jesuits, which it is stated he read in St. Peter's at two o'clock in the morning, thru dread of the members of the order. He said that "so terrible were their crimes they would refrain from mentioning them."

While Roman Catholicism was the state church in France, a committee of 23 statesmen and three Protestants reported to the order that the Jesuit teachings condoned theft, lying and perjury. That the order was loyal to the state and corrupting to religion.

The Jesuit Order must not be allowed to get its hands on the throat of the Dominion. The question might well be asked who was behind the me temeritate burlesque of that Catholic, who brought a Roman Catholic priest into a court of law should be excommunicated. For 300 years the Jesuits had sought to stifle civil liberty wherever they could. Canada was menaced, would the young giant succumb?

Mr. J. H. Sturges announced that next Sunday night he would speak on the history and constitution of the Jesuits.

General Liang Pi Fatally Injured

High Manchou Official and ex-Commander of Imperial Guards, Victim of Unidentified Bomb Throwers.

PEKIN, Jan. 27.—General Liang Pi, a high Manchou official and former commander of the Imperial Guards, was injured perhaps fatally to-day by a bomb thrown by an unidentified Chinaman in military uniform.

The man hurled the bomb from the side of the road as Liang Pi was alighting from his carriage at the entrance to his home. Both of his legs were broken and torn by fragments of the missile, and surgeons who were hurriedly called, indicated that the amputation of one limb was immediately necessary. The operation was performed at once. The patient's condition was later pronounced critical.

The assailant was himself instantly killed by the explosion. General Liang Pi was a strong reactionary, and had been suspected of implication in the recent assassination of General Mu Lu Cheng.
