A PICNIC FOR THE PRINCE

the Brighton Cup-The Winner Sold for \$20,500.

New York, July 27 .- The Brighton Cup, a weight for age race at 214 miles, was run at Brighton Beach to-day. It was not the feature of the day's sport as had been expected, however, as Prince of Melbourne and Rochester were the only two to face the starter, and it amounted to a practidisappointment, instead of being one of the star features of the season.

Previous to the day's racing, both horses

Shaw took Prince of Melbourne to the

With Nerves Unstrung and the Stomach Unable to Do Its Work the Condition is Truly Pitiable.

of sympathy than another it is the nervous dyspeptic, for the suffering is so constant and continuous that there is scarcely an interval of rest during night or day. Norwous dyspepsia has probably been the means of producing more opium users than any other known disease, for people frequently make the mistake of resorting to opiates to soother the nerves. Comments will captain May be the mistake of resorting to opiates to soother the nerves. Comments will captain May be the first migrest lacerated. His first finger was amputated.

Appear in the Police Court.

It will cost \$100 to have the cribwork at the eastern channel repaired in consequence of captains taking their steamers thru the worm, while operating a machine in Sextine and the books of the bank have been stant any other known disease, for people frequently make the mistake of resorting to opiates to soother the nerves. Comments are calling for the prosecution. The ceremony will operate at the first finger was amputated.

Time Kondeling, who lives at 18 Parkham and had badly streamed and that the books of the bank have been streamed and that the books of the bank have been streamed and that the books of the bank have been streamed and that the books of the bank have been streamed and that the books of the bank have been streamed and that the books of the bank have been streamed and that the books of the bank have been streamed that the books of the bank shares and by post fine the proper treatment of the line of the worst scandals of modern times. The Economista declares that the Bank of Italy for years has declared a dividend which it has never earned and that the books of the bank have been streamed that the books of the bank have been streamed that the books of the bank shares and by post fine the proper treatment of the line of the worst scandals of modern times. The Economista declares that the Bank of Italy for years has declared a dividend which it has never earned and that the books of the bank have been streamed and that the books of the bank s dyspepsia the proper treatment is to get at the fountain head of the disease, and treat the stomach. Get the stomach working properly, and the nerves will soon be il right. For nervous dyspeptics there s nothing so good as the ideal food: Gra-ose. In the following letter Miss Nellie

of good Granose did her:
Battle Creek Sanitarium Health Food Co.,
London:
Gentlemen,—I have great pleasure in testifying to the merits of the food manufactured by you. For a number of years
I suffered from nervous dyspepsia, until my condition was so bad that my doctor was afraid to give me medicine. Some friend recommended me to try Granose Flakes, which I did, with results little short of marvellous. As I was able to digest the food, I rapidly put on flesh, and to-day I am as strong and hearty as any woman need be. My sister has been using your lish more work, without overstraining her. elf, than she ever did before in her life. Yours gratefully, Nellie Tagg. London, Ont., July 18, 1901.

NOT GOING TO YUKON.

Mr. Sifton is Too Busy at the Capitial to Leave. Ottawa, July 27 .- Hon. Clifford Sifton

has abandoned his proposed trip to the Yukon this summer. He told your corre-Yukon this summer. He told your correspondent that he had a number of important matters in connection with British town farmer, died of hyprophobia to-day in the Monmouth Hospital. Columbia and the Northwest to attend to, and to permit these being done he would require to give up the idea of going thru to Dawson. Besides this, everything in the Yukon is proceeding very satisfastorily when the columbia developed yes-Yukon is proceeding very satisfastorily under the commissionership of Hon. J. H.
