REFORESTRY IS DEMANDED

United Counties Will Try to Check Growth of Sand Area.

COBOURG, June 9.—(Special.)—A meeting of the counties council of Northumberland and Durham to discuss reforestry of sand lands was largely attended. Conditions were shown to be becoming rapidly worse for agriculture in the area. Resolutions were passed endorsing reforestry for the area, appointing a committee to deal with the situation and arranging a series of meetings next fall.

The speakers included Dr. Fernow, Toronto University; Thomas Southworth, president Canadian Forestry Association; James Lawler, secretary; Prof. Zavitz of Guelph, Thornton and Owens, members of parliament; Sam Clarke, J. J. Preston and Nesbitt, members of the legislature; William Richard and Warden Powers, Col. John Hughes presided.

The question as to whether the lands should be owned by the municipality or the government was left undecided.

G. T. P. Not Disgruntled.

OTTAWA, June 9.—Hon. Mr. Parent, chairman of the National Transcontinental Railway Commission, denies that the cost of the Port Arthur to Winnipeg section has tripled the estimate, as reported, but there has been an extra $6000 per mile spent.

The G.T.P. officials at Montreal also absolutely deny the Winnipeg story of dissatisfaction on their part.

Weds Five Couples at Once.

BRISTOL, Tenn., June 9.—The Rev. Alfred H. Burroughs of this city today with a single ceremony joined in marriage five young couples who eloped to Bristol from points in Virginia.
