Cool-Clean-PURE

It is difficult to describe the difference in taste between a pure crystal spring of running water, and the kind of water we usually drink. It is just as difficult to tell you the difference in taste between CRAVEN "A" and other cigarettes. You'll have to try CRAVEN "A" to appreciate the difference.

What we can tell you is that CRAVEN "A" cigarettes are pure. Nothing but the finest and purest of Virginia tobaccos properly matured and blended.

Like pure spring water, they are cool—clean—satisfying.

Give CRAVEN "A" a trial. You'll soon discover how much they will add to your smoke-enjoyment.
