

Canadian Economy

ests alone. Mr. Speaker, if we realized what is suggested by Social Crediters, the financing of governments by interest free loans, under the present taxation system all that money could be reinvested in the Canadian economy. Mr. Speaker, those were the few comments I could make in six minutes. However I should like to continue as I have more to say. Briefly I wish to say that it is time that ministers recognize, as some back-

benchers did today, that there are problems and that they must be solved.

Mr. Deputy Speaker: Order please! It being 10:30 p.m. this House stands adjourned until tomorrow at 2 p.m., pursuant to Standing Order 2(1).

At 10.30 p.m. the House adjourned, without question put, pursuant to Standing Order.
